KEY TRANSIT FACTORS

♆ Neptune ☾ Semi sextile ♇ natal Pluto

These days you find it easier to **let go of control** in situations where you've been holding tight for too long. Small shifts in your practical routines or relationships feel natural rather than forced, as if you're finally allowing things to move at their own pace. Over the coming weeks, this lighter approach helps you see what actually needs to change and what you can safely release.

♃ Jupiter ☿ Conjunction ☾ natal Moon

You feel more **comfortable asking for what you need** from people around you right now. Your emotional confidence is higher than usual, which makes it easier to speak up in conversations and express your opinions. Over the coming weeks, you'll likely notice others responding better to you because you're clearer about your feelings and less defensive than normal.

♄ Saturn ☐ Square ♆ natal Neptune

Right now you are running into the practical limits of your plans, and it feels frustrating because you can't see exactly where things are breaking down. You become **more critical and doubtful** than usual, second-guessing decisions you made weeks ago and struggling to trust your own judgment. Over the coming weeks, this clash between *Saturn's* demand for clear results and *Neptune's* fog will force you to sort out what is actually possible from what you only hoped might work.

♅ Uranus ☐ Square ♆ natal Neptune

Right now you're caught between wanting to break free from something and feeling unsure what you actually want instead, which makes your decisions feel scattered and impulsive. You may **act on sudden urges to change your routines or relationships without thinking through the practical consequences**, then feel confused or regretful days later. Over the coming weeks, the best move is to slow down before making big changes and write down what you're really trying to escape from, because the clarity you need isn't here yet.

☾ Moon ☐ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

♃ Jupiter Rx · ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

☉ Sun ☾ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun △ Trine ♃ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

LUNAR DAY

Moon in ♐ Sagittarius · Day 28 / 30 · Waning Crescent

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
