KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

☿ Mercury ☐ Square ♅ natal Uranus ★

Right now your thinking is scattered and you jump between ideas without finishing them, which makes it hard to explain what you actually want to others. You feel **restless and impatient** with normal conversation, often blurting out opinions you later regret or missing what someone else is trying to tell you. Over the coming weeks, this mental friction could damage plans or relationships if you don't write things down before you speak or act on them.

☉ Sun ☿ Quincunx ♇ Pluto ★

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

♅ Uranus ∠ Semi sextile ♇ natal Pluto

Over the coming weeks, you'll notice small opportunities to break free from habits or situations that no longer serve you, without needing to blow everything up. Your instinct for **recognizing when change is necessary** becomes sharper, and you can act on it gradually rather than waiting for a crisis. This is a good time to experiment with new approaches to work or personal projects, because the timing feels naturally right.

♁ Chiron ☿ Quincunx ♇ natal Pluto

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

☾ Moon ★ Sextile ☉ natal Sun

You feel **more comfortable with yourself** right now, which makes it easier to speak up in conversations and take small actions you have been putting off. Your mood is steady enough that you can actually listen to other people instead of getting caught up in your own concerns. While this *Moon sextile Sun* lasts, things that usually feel difficult—like asking for help or sharing what you think—feel more natural.

♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☾ Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

☾ Moon ☉ Opposition ♃ Jupiter

These days you feel pulled between what you want right now and what you think you should want, and this makes it hard to know what actually matters to you. Your **emotional reactions are bigger than the situation calls for**, so you say yes to things you don't have time for or get frustrated faster than usual. Over the coming weeks, this mismatch between your feelings and your judgment creates real friction in conversations and decisions, because you're either too generous with your time or too blunt about your limits.
