KEY TRANSIT FACTORS

♃ Jupiter ☌ Conjunction ☾ natal Moon

You feel more **comfortable asking for what you need** from people around you right now. Your emotional confidence is higher than usual, which makes it easier to speak up in conversations and express your opinions. Over the coming weeks, you'll likely notice others responding better to you because you're clearer about your feelings and less defensive than normal.

♀ Venus ☐ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♁ Chiron ☌ Conjunction ♂ natal Mars

Right now you're noticing where you push too hard or hold back too much when you act. You might feel frustrated with yourself for either charging ahead without thinking or for being too cautious, and this **self-awareness about your own aggression** is temporary but useful. Over the coming weeks, pay attention to how you actually handle conflict or physical effort instead of assuming you know what you'll do.

♂ Mars qx Quincunx ♁ natal Chiron

Right now you're more aware of old hurts when someone pushes back against you or challenges your plans. You might notice yourself **reacting defensively to minor criticism** that you'd normally brush off. Over the coming weeks, this clash between your assertiveness and your sensitivity gives you a chance to see where you need better boundaries instead of just withdrawing or fighting back.

☿ Mercury qx Quincunx ☽ natal Uranus

Your thinking becomes restless and hard to pin down while this lasts, making it difficult to follow through on practical plans. You might start several mental projects or conversations but abandon them midway because your focus keeps **jumping to new angles** without warning. This is a good time to notice which ideas actually matter to you and which ones are just distractions.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ∟ Semi sextile ♁ NNode

These days you find it easier to **act on what matters to you without overthinking**. Your decisions feel more natural and less forced, so you move forward on things you've been putting off. This period supports practical progress because you're not stuck in doubt or second-guessing yourself.

LUNAR DAY

Moon in ♋ Pisces · Day 23 / 30 · Last Quarter

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
