KEY TRANSIT FACTORS

♃ Jupiter ☌ Conjunction ♄ natal Saturn ★

Over the coming weeks, you're likely to feel **more serious about your plans and less willing to skip steps**. You'll probably want to finish what you've started before moving on to something new, and you may feel frustrated if others rush you or if deadlines keep shifting. This is a practical time to consolidate what you've built and to test whether your ambitions actually work in the real world.

☿ Mercury * Sextile ♆ Neptune ★

These days your mind works better with intuition than usual, and you pick up on what people really mean even when they do not say it directly. **You listen more carefully and remember details others miss**, which helps you understand situations more fully. This is a good time to write, have meaningful conversations, or think through problems in a calm and creative way.

♁ Chiron ☌ Conjunction ♂ natal Mars

Right now you're noticing where you push too hard or hold back too much when you act. You might feel frustrated with yourself for either charging ahead without thinking or for being too cautious, and this **self-awareness about your own aggression** is temporary but useful. Over the coming weeks, pay attention to how you actually handle conflict or physical effort instead of assuming you know what you'll do.

☿ Mercury * Sextile ☉ natal Sun

Your thinking is **clearer and more direct** these days, making it easier to explain what you actually mean to people around you. Conversations flow naturally and you find yourself asking better questions, which helps you understand what others really need from you. This is a good stretch to pitch ideas, write something important, or sort through a practical problem you have been sitting with.

♆ Neptune ☐ Square ☿ natal Mercury

Your thinking feels foggy right now, and you struggle to organize your thoughts into clear sentences or plans. You may say things you don't fully mean, misunderstand what others are telling you, or find yourself **second-guessing decisions** you would normally make quickly. Over the coming weeks, you will need to double-check important information and avoid signing contracts or making commitments until this confusion lifts.

♇ Pluto ☌ Opposition ☉ natal Sun

Right now you feel like people are questioning your authority or pushing back against decisions you would normally make without hesitation. You may find yourself **defensive about who you are**, or noticing that your usual confidence in your own judgment has become shaky. Over the coming weeks, situations at work or in relationships will force you to examine whether you are actually as much in control as you thought you were.

› Moon * Sextile ♄ Saturn

These days you find it easier to **stick to what matters** and ignore what doesn't. Your emotional reactions are quieter and more measured, which means you can actually listen to people instead of just reacting. This period gives you the practical steadiness to follow through on commitments without needing constant reassurance.

☿ Mercury ∟ Semi sextile ♀ Venus

These days you find it easier to say what you actually think without hurting people's feelings. Your words come out softer and more **considerate** than usual, which makes conversations feel more natural and pleasant. This is a good time to have difficult talks or ask for something you want, because people are more likely to listen and respond well.

LUNAR DAY

Moon in ♊ Gemini · Day 13 / 30 · Waxing Gibbous

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
