KEY TRANSIT FACTORS

☉ Sun △ Trine ♃ natal Jupiter

Right now you find it easier to take reasonable risks and see possibilities instead of obstacles in your practical situations. You feel more confident in social settings and people respond well to your **natural optimism**, which makes conversations flow and opportunities show up. This period is ideal for pitching ideas, asking for what you want, or starting something new because your timing feels right and your judgment is solid.

☿ Mercury □ Square ♂ natal Mars

Right now your thoughts move faster than your patience, and you're more likely to say things you'll regret in arguments or heated conversations. **You interrupt people, contradict them quickly, and struggle to listen** without jumping in with your own point. These next couple of weeks will test your ability to slow down before you speak, because your natural instinct is to react fast and hard.

♆ Neptune △ Trine ♁ natal NNode

While this lasts, you find it easier to **trust your instincts about which direction to take** in life, especially in areas where you've felt uncertain before. People around you respond well to your openness, and conversations flow naturally without you having to push or convince anyone of anything. This period softens the usual friction between what you want and what feels right, so you can move forward without second-guessing yourself.

♅ Uranus ♂ Conjunction ♇ natal Pluto

You feel a strong urge to break free from situations you've tolerated for too long, and you're willing to act on it even if the consequences are unpredictable. **Your tolerance for compromise drops sharply**, and you may push back harder than usual against anything that feels controlling or confining. Over the coming weeks, expect sudden changes in how you handle power dynamics at work or in relationships, or a decision to walk away from something you've outgrown.

♁ NNode □ Square ♀ natal Venus

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☌ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun ☍ Opposition ♆ Neptune

Right now you are **more likely to feel confused about what you actually want** because the gap between your real goals and your wishful thinking is wider than usual. You might make promises you cannot keep or agree to things without checking the practical details first. The emotional fog makes it harder to trust your own judgment, so this is a good time to ask someone else before you commit to anything important.

LUNAR DAY

Moon in ♍ Virgo · Day 8 / 30 · Waxing Crescent

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

CLOTHING & JEWELRY
