## KEY DATE

### ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

## KEY TRANSIT FACTORS

### ♂ Mars qx Quincunx ♅ natal Uranus

Right now your instinct is to **break free from routines**, but your actions keep hitting unexpected obstacles that force you to adjust course. You feel restless and impatient with how things normally work, yet when you try to move forward you find yourself having to backtrack or modify your approach. This mismatch between what you want to do and what actually works can feel frustrating, but it's teaching you which rules actually matter and which ones you can safely ignore.

### ☉ Sun \* Sextile ♆ natal Neptune

Right now you find it easier to **notice details you usually miss** in conversations and situations around you. Your imagination is working better than usual, so creative projects or problem-solving feels more natural without forcing it. People also seem more receptive to what you say, as if your words land more gently with them during these weeks.

### ☿ Mercury \* Sextile ♁ natal NNode

Right now you find it easier to say what you actually think without overthinking it, and people respond well to your directness. You're naturally **more articulate about your goals and what matters to you**, which helps you connect with others who share your values. Over the coming weeks, conversations that move you forward happen almost by accident, because you're communicating in a way that feels both honest and clear.

### ♁ NNode ∟ Semi sextile ♇ natal Pluto

Over the coming weeks, you find it easier to **speak up about what you actually want** instead of staying quiet to keep the peace. Small conversations that would normally feel risky now feel manageable, and people respond better than you expected. This is a good time to set a boundary you have been putting off or to tell someone what you really think.

### ♁ Lilith ♂ Conjunction ♂ natal Mars

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

## ♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

## ☉ Sun ☌ Opposition ⚡ Chiron

At the moment, you're likely to notice what you're **avoiding about yourself** — the parts of your character or your past that make you uncomfortable. This awareness doesn't feel good because it arrives as criticism rather than compassion, leaving you defensive or ashamed. Over the coming weeks, you may find yourself pushing back against feedback from others, even when it contains something useful, because right now your ego feels too raw to hear it.

## ☉ Sun ∟ Semi sextile ♁ NNode

These days you find it easier to **act on what matters to you without overthinking**. Your decisions feel more natural and less forced, so you move forward on things you've been putting off. This period supports practical progress because you're not stuck in doubt or second-guessing yourself.

## ☾ Moon ☌ Opposition ♀ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

## LUNAR DAY

Moon in ♈ Aries · Day 14 / 30 · Waxing Gibbous

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

## CLOTHING & JEWELRY
