## KEY TRANSIT FACTORS

### ♃ Jupiter ☾ Opposition ♂ natal Uranus

Over the coming weeks, you're likely to feel **restless and impatient with rules or commitments that suddenly feel too tight**. You may make impulsive decisions about work, relationships, or finances that you'll regret once the initial excitement wears off. The practical cost of acting on every impulse right now is real, so slowing down before major changes will protect you from unnecessary damage.

### ♀ Venus ∟ Semi sextile ♇ natal Pluto

Over the coming weeks, you find yourself **noticing what you actually want** instead of settling for what seems acceptable. Small choices in your relationships and finances start to feel more honest because you're willing to look at what really matters to you. This quiet clarity helps you make decisions that stick around longer than your usual ones do.

### ♁ Chiron ☿ Quincunx ♂ natal Uranus

You feel uncomfortable with your usual ways of doing things, even though you can't quite explain why. These days you notice yourself wanting to break free from routines that normally work for you, which creates **practical friction between your need for stability and your urge to change direction**. Over the coming weeks, small adjustments in how you handle independence or unconventional choices will feel necessary, even if they don't come naturally to you right now.

### ☿ Mercury ☽ Conjunction ♄ natal Saturn

These days your thinking becomes more **careful and methodical**, and you naturally slow down before making decisions. You find yourself questioning things you normally accept without much thought, which can feel like useful doubt or frustrating overthinking depending on the situation. This deliberate approach works well for planning and detail work, but may make casual conversation feel more strained than usual.

### ♅ Uranus ∟ Semi sextile ♃ natal Jupiter

These days you're picking up on new possibilities that others around you haven't noticed yet, and your **natural optimism makes you willing to try them**. A small opportunity in work or learning might appear suddenly, and you'll have the confidence to act on it without overthinking the risks. Over the coming weeks, this forward momentum helps you feel less stuck in old routines and more curious about what comes next.

### ♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

› Moon ☐ Square ♀ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

› Moon ∟ Semi sextile ♄ Saturn

These days you find it easier to **talk about practical problems without getting swept up in feelings**. The *Moon* and *Saturn* aspect makes emotional conversations feel steadier, so you can say what needs saying without drama. This is a good time to have difficult talks about real things because your head and your heart are working together instead of against each other.

LUNAR DAY

Moon in ♋ Cancer · Day 22 / 30 · Waning Gibbous

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
