KEY TRANSIT FACTORS

☉ Sun △ Trine ♅ Uranus ★

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

♄ Saturn □ Square ♁ natal Chiron

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

♂ Mars ♌ Conjunction ♁ natal Chiron

You are more aware of where you feel hurt or inadequate, and you want to do something about it instead of just thinking about it. Your instinct right now is to **push through pain or prove yourself capable**, which can help you take practical steps but might also make you rush into situations without patience. These days you need to watch whether you are acting from genuine confidence or from a need to overcome old doubts.

♆ Neptune ♏ Quincunx ♁ natal Chiron

While this lasts, you may notice **difficulty separating your own pain from other people's problems**. You feel drawn to help or rescue someone, but the situation stays unclear and drains you without resolution. Over the coming weeks, set practical boundaries about what you can actually do rather than getting pulled into situations that feel emotionally important but ultimately aren't yours to fix.

♅ Uranus ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **adjust your plans without feeling like you're losing control**. Small changes to your schedule or approach no longer feel threatening, and you can spot practical improvements you've been putting off. This is a good window to update systems, refresh routines, or try a different method at work without the usual resistance.

☿ Mercury △ Trine ♃ natal Mercury

Right now your thinking feels clearer and you organize your thoughts more easily than usual. You find yourself **explaining things well to others** and picking up on what people actually mean instead of misunderstanding them. These days conversations flow better and you solve practical problems faster because your mind is working smoothly.

☉ Sun * Sextile ♁ Chiron

Right now you find it easier to talk about things that usually stay hidden, and people respond by listening instead of dismissing you. Your **willingness to admit weakness** actually makes others trust you more because you seem real. This is a good time to ask for help with something you have been carrying alone, because the practical support tends to show up.

› Moon ☾ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

LUNAR DAY

Moon in ♎ Libra · Day 9 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
