KEY DATE

♁ Chiron stations Retrograde

Chiron stationing retrograde tends to bring **old wounds or insecurities back into focus**, making you notice patterns you thought you'd moved past—in relationships, work, or how you handle rejection. During this period, **progress on healing or learning slows down**, and you may find yourself revisiting past failures or setbacks rather than moving forward with new skills or confidence. In practical terms, this is a good time to **review what didn't work before** and adjust your approach, though expect frustration if you're trying to push ahead quickly.

KEY TRANSIT FACTORS

☉ Sun ☾ Semi sextile ☿ Mercury ★

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

♄ Saturn ☿ Quincunx ♀ natal Venus

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

♃ Jupiter ☽ Trine ☿ natal Mercury

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

♀ Venus ☐ Square ♄ natal Saturn

You feel **emotionally withdrawn and critical about your relationships** while this lasts, noticing flaws in people you normally accept. Venus square Saturn makes you doubt whether you deserve affection or whether others really care, so you pull back first to protect yourself. Over the coming weeks, this psychological distance can damage connections if you mistake your own fear for genuine incompatibility.

♅ Uranus ☿ Conjunction ♁ natal Lilith

You are less willing to go along with what people expect from you right now, and you may say or do things that surprise people around you. You feel a stronger pull toward your own preferences, even when they break the rules or disappoint others. This shift can create friction in relationships or work, but it also gives you a chance to set clearer boundaries about what you actually want.

♿ Mercury △ Trine ♃ natal Chiron

While this lasts, you find it easier to **talk through painful situations** without getting defensive or stuck. Your conversations with others become more straightforward and practical, which helps you actually work through what bothers you instead of ruminating alone. Over the coming weeks, this clarity in how you communicate can turn old hurts into useful lessons you can actually learn from.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

LUNAR DAY

Moon in ♊ Gemini · Day 25 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Pisces

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
