KEY TRANSIT FACTORS

♅ Uranus △ Trine ♀ natal Venus

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

♇ Pluto qx Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

☉ Sun qx Quincunx ☉ natal Sun

Over the coming weeks you'll notice a **slight mismatch between what you want to do and what feels comfortable**, like you're being nudged in a direction that doesn't quite fit your usual style. You might feel restless about your daily choices or find that your normal routines no longer satisfy you in the same way. The practical move is to experiment with small adjustments rather than wait for things to feel perfectly aligned again.

☾ Moon ♂ Conjunction ♄ natal Saturn

These days you are more aware of what you actually need rather than what you think you should want. You feel **realistic and serious about your responsibilities**, and you are less likely to act on impulse or emotional whim. This clarity can feel heavy at first, but it often pushes you to make practical decisions you have been avoiding.

♂ Mars □ Square ♁ natal Chiron

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☉ Sun ∟ Semi sextile ♄ natal Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☾ Moon ∟ Semi sextile ♀ natal Venus

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

› Moon ∟ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

LUNAR DAY

Moon in ♎ Libra · Day 29 / 30 · Waning Crescent

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
