KEY TRANSIT FACTORS

☾ Moon △ Trine ♂ Mars ★

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

♁ Chiron □ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

♂ Mars ∟ Semi sextile ☉ natal Sun

You're noticing it's easier to **take small actions** toward what matters to you right now. Your motivation shows up in practical ways—you actually do the thing instead of thinking about it for weeks. This period supports you in building momentum through consistency rather than big dramatic pushes.

♇ Pluto ♂ Conjunction ♁ natal Lilith

Right now you are examining parts of yourself that you normally keep hidden or suppress, and this feels both uncomfortable and oddly necessary. You may find yourself **pushing back against rules or expectations** that never actually fit you, whether at work or in relationships. Over the coming weeks, this restlessness will likely push you to make a practical change in how you present yourself or what you actually allow yourself to want.

☾ Moon qx Quincunx ♂ natal Uranus

While this lasts, you feel **restless in situations that normally feel comfortable**, and small changes in your routine bother you more than usual. Your mood swings between wanting everything to stay exactly the same and suddenly wanting to shake things up completely. These contradictory impulses can leave you feeling unsettled, so notice when you're reacting to actual problems versus just needing to move your body or change your environment.

☾ Moon □ Square ♂ natal Mars

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

☉ Sun ☌ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

LUNAR DAY

Moon in ♊ Gemini · Day 18 / 30 · Full Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Wednesday · ♀ Mercury · Venus in Pisces
