KEY TRANSIT FACTORS

♂ Mars ☌ Conjunction ♀ natal Venus

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

♄ Saturn ☌ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that **old wounds or insecurities surface when you face practical limits**— especially around work, deadlines, or things you cannot control. This happens because *Saturn* is making you take a hard look at what you've been managing poorly or avoiding, and it feels uncomfortable. The shift you need is to stop protecting yourself and instead be honest about where you actually need help or training.

♅ Uranus * Sextile ♇ natal Pluto

Right now you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. *Uranus* is helping you see practical steps forward where *Pluto* usually makes things feel stuck or all-or-nothing. Over the coming weeks, you're more likely to act on improvements in your work, relationships, or routines instead of waiting for a crisis to force your hand.

♇ Pluto ☐ Square ♊ natal NNode

Right now you're questioning whether you're on the right track in life, and this doubt feels unusually intense and hard to ignore. You may **withdraw from people or activities** that once felt important to you, as if you need to strip things down to what actually matters. Over the coming weeks, expect to feel pushed to make real changes in how you spend your time and who you spend it with, even though the process feels uncomfortable and unclear.

♇ Pluto ☌ Conjunction ♁ natal Lilith

Right now you are examining parts of yourself that you normally keep hidden or suppress, and this feels both uncomfortable and oddly necessary. You may find yourself **pushing back against rules or expectations** that never actually fit you, whether at work or in relationships. Over the coming weeks, this restlessness will likely push you to make a practical change in how you present yourself or what you actually allow yourself to want.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

☾ Moon ☐ Square ♆ Neptune

Right now your emotional responses feel disconnected from what is actually happening around you. You might **overreact to small problems or miss real warning signs** because your feelings are not matching the facts. This mismatch between what you feel and what is real makes it hard to trust your own judgment about people and situations.

LUNAR DAY

Moon in ♎ Libra · Day 23 / 30 · Last Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
