KEY TRANSIT FACTORS

♂ Mars ☐ Square ☾ natal Moon

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

♁ Chiron ☌ Conjunction ♁ natal NNode

Right now you're noticing where you've been holding back from doing things that matter to you, and you're feeling more willing to try them anyway. You're less focused on whether you'll look foolish or fail, and more focused on what you actually want to learn or attempt. Over the coming weeks, this practical shift in attitude is likely to push you into situations that feel new, uncomfortable, and oddly necessary.

♃ Jupiter ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to follow through on practical plans without getting overwhelmed by all the details. *Jupiter* is giving you just enough optimism to balance *Saturn's* caution, so you can **move forward steadily while staying realistic** about what you can actually do. This is a good time to tackle a project that requires both confidence and discipline, because you naturally trust your own judgment right now.

☾ Moon * Sextile ♆ natal Neptune

Your **intuition about other people becomes unusually reliable** right now, and you pick up on what's really going on beneath the surface without needing explanations. You feel more patient with emotional mess, both your own and others', because you're naturally more accepting of complicated feelings. These days you can actually listen without trying to fix or judge, which makes people around you relax and open up more than usual.

☉ Sun * Sextile ♆ natal Neptune

Right now you find it easier to **notice details you usually miss** in conversations and situations around you. Your imagination is working better than usual, so creative projects or problem-solving feels more natural without forcing it. People also seem more receptive to what you say, as if your words land more gently with them during these weeks.

☉ Sun Δ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☿ Mercury * Sextile ♃ Jupiter

These days your thinking feels clearer and you naturally find words that actually land with people instead of causing friction. You're picking up on details you'd normally miss, and your mind keeps making useful connections between different ideas. This is a good time to have important conversations, write something down, or pitch an idea because people are listening with an open mind right now.

♀ Venus ♂ Conjunction ♃ Jupiter

Right now you are more **generous with money and attention**, and you want to spend time with people who matter to you. This is a practical window where saying yes to social invitations or spending on something you want feels natural and easy. *Venus* and *Jupiter* together tend to open people up, so expect others around you to be warmer and more willing to help.

LUNAR DAY

Moon in ♒ Aquarius · Day 10 / 30 · First Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
