## KEY TRANSIT FACTORS

### ☾ Moon △ Trine ♂ natal Mars ★

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

### ☉ Sun ♂ Conjunction ♂ Mars ★

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

### ♄ Saturn ♀ Opposition ☾ natal Moon

These days you feel emotionally tired and less patient with people who depend on you, even though you know they need your support. Your automatic response is to withdraw or set stricter rules rather than explain what you actually need. This period pushes you to understand that your limits are real, but the way you communicate them right now tends to come across as cold or dismissive.

### ♂ Mars ♀ Opposition ♁ natal Chiron

Right now you are **quick to react defensively when anyone points out a weakness or mistake**, and this makes conversations harder instead of easier. Your old insecurities about not being good enough are closer to the surface, so small criticism stings more than usual. Over the coming weeks, you will need to catch yourself before snapping at someone who is only trying to help.

### ☉ Sun ♀ Opposition ♁ natal Chiron

Right now you are more aware than usual of where you feel inadequate or broken, and this awareness can make you defensive or irritable with people close to you. You might **push others away just when you need support most**, or pick fights over small things that actually reflect your own self-doubt. This period asks you to notice this pattern without acting on it, but the discomfort will likely stick around for a few weeks while *the Sun* opposes your *Chiron*.

### ♆ Neptune △ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

### ☉ Sun \* Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun \* Sextile ☽ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♏ Scorpio · Day 1 / 30 · New Moon

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
