KEY TRANSIT FACTORS

☾ Moon Δ Trine ♇ natal Pluto

Right now you're noticing that difficult conversations feel less scary, and you're able to say what you actually think without overthinking it. Your **emotional honesty** is flowing more naturally, which means people around you are responding better to what you share. Over the coming weeks, this ease with your own feelings can help you sort through old patterns that usually trip you up.

♃ Jupiter $q\alpha$ Quincunx ♁ natal Chiron

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

♇ Pluto Δ Trine ☉ natal Sun

Right now you feel **less afraid to make real changes** in your life, and people respond to this quiet confidence. You stop waiting for permission and start acting on decisions you've been sitting with for months. Over the coming weeks, you'll notice doors opening because you're finally moving forward instead of second-guessing yourself.

♆ Neptune $*$ Sextile ♀ natal Venus

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

♇ Pluto \angle Semi sextile ♆ natal Neptune

You find it easier right now to **notice patterns in situations that confused you before**, especially in relationships or creative projects where things felt murky. Your practical judgment sharpens, letting you spot what's actually happening underneath surface appearances rather than getting lost in assumptions. This clarity lasts only a few weeks, so it's a good time to make decisions about situations you've been uncertain about.

♂ Mars **Rx** \cdot ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

☉ Sun σ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

› **Moon ☾ Semi sextile ♀ Venus**

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

› **Moon ♂ Conjunction ♄ Saturn**

Right now you're more aware of what you actually need versus what you think you should want, and you're less likely to chase feelings that don't hold up under real-world pressure. **You become more cautious and realistic about emotional commitments**, which means you might feel less enthusiastic but also less likely to make promises you can't keep. This period favors practical conversations about responsibilities and honest check-ins about relationships, even if they feel a bit heavy.

LUNAR DAY

Moon in ♒ Aquarius · Day 2 / 30 · New Moon

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
