## KEY TRANSIT FACTORS

### ☉ Sun ☿ Conjunction ♂ Mars ★

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

### ☾ Moon ♁ Quincunx ☉ natal Sun

Right now your mood and your sense of purpose are out of sync, so you feel restless even when things are going well. You might **second-guess decisions you normally feel confident about**, or find yourself irritable with people who don't understand what you need. These feelings will pass in a week or two, but until then you'll work better if you accept the discomfort rather than trying to fix it.

### ♁ NNode △ Trine ☾ natal Moon

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

### ♀ Venus ☐ Square ♄ natal Saturn

You feel **emotionally withdrawn and critical about your relationships** while this lasts, noticing flaws in people you normally accept. *Venus* square *Saturn* makes you doubt whether you deserve affection or whether others really care, so you pull back first to protect yourself. Over the coming weeks, this psychological distance can damage connections if you mistake your own fear for genuine incompatibility.

### ♀ Venus ☐ Square ♃ natal Jupiter

You are spending more freely right now and having trouble saying no to things you want, which can leave you short of money or overcommitted socially. Your **appetite for indulgence outpaces your actual resources**, and you may feel frustrated when reality pushes back against what feels like reasonable enjoyment. Over the coming weeks, the gap between what you want to give yourself and what you can actually afford will become hard to ignore.

### ☾ Moon △ Trine ♆ natal Neptune

Your **imagination feels more accessible right now**, and creative ideas come to you more easily than usual. You're also more **attuned to what people around you need emotionally**, picking up on moods and unspoken feelings without effort. These days your intuition works in your favour, especially when you're making decisions or trying to understand a difficult situation.

### ☉ Sun ☿ Conjunction ♃ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

#### LUNAR DAY

Moon in ♌ Leo · Day 19 / 30 · Full Moon

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

#### CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Pisces

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
