KEY TRANSIT FACTORS

☿ Mercury ☐ Square ♅ natal Uranus ★

Right now your thinking is scattered and you jump between ideas without finishing them, which makes it hard to explain what you actually want to others. You feel **restless and impatient** with normal conversation, often blurting out opinions you later regret or missing what someone else is trying to tell you. Over the coming weeks, this mental friction could damage plans or relationships if you don't write things down before you speak or act on them.

☉ Sun △ Trine ♅ natal Uranus ★

Over the coming weeks, you feel more comfortable taking a different approach to something you've been doing the same way for years. Your **willingness to experiment without overthinking** makes it easy to try new methods at work or in your daily routine. This is a practical window where change feels natural rather than risky, so any updates or innovations you're considering have real momentum behind them.

☉ Sun ∟ Semi sextile ☿ Mercury ★

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

♁ NNode ♁ Quincunx ♃ natal Jupiter

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

☾ Moon ♂ Conjunction ♇ natal Pluto

Over the coming weeks, you're likely to feel **more aware of what you really want** and less willing to settle for surface-level answers in your relationships or work. Your emotional reactions may be sharper and your need for honesty more intense, which can make conversations feel heavier than usual. This intensity will fade once the *Moon* moves past your natal *Pluto*, but right now you're in a phase where you're pruning away what doesn't actually matter to you.

☿ Mercury ♁ Quincunx ♂ natal Mars

Over the coming weeks, you'll notice your words and actions don't quite line up the way you expect. You might say something that comes across too blunt, or realize mid-sentence that what you meant to express sounds completely different out loud. This **mismatch between intention and delivery** creates small friction in conversations, especially when you're trying to get something done or persuade someone to your side.

☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

LUNAR DAY

Moon in ♎ Libra · Day 7 / 30 · Waxing Crescent

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Pisces

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
