KEY TRANSIT FACTORS

♀ Venus △ Trine ♇ natal Pluto

Right now you're drawn to people and situations that feel genuinely authentic, and others pick up on this **magnetic honesty** in how you show up. Your practical ability to read what someone really needs, beneath the surface, makes your relationships deepen without effort. Over the coming weeks, this natural pull toward real connection can help you attract people or opportunities that actually align with who you are.

♇ Pluto □ Square ♂ natal Mars

You are feeling blocked when you try to act on what you want, and small frustrations can trigger **sudden intense anger** that surprises even you. Your usual way of getting things done meets resistance from other people or from circumstances, leaving you feeling powerless and resentful. Over the coming weeks, you will need to pay attention to where you are actually pushing too hard instead of assuming others are the problem.

♂ Mars ♂ Conjunction ♀ natal Venus

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

♁ Chiron □ Square ♁ natal Chiron

These days you are more aware of where you feel inadequate or defective, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you could actually contribute** because you are convinced you will fail or disappoint others. This period pushes you to face the difference between your actual limitations and the harsh internal voice that exaggerates them.

♃ Jupiter □ Square ♀ natal Venus

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☾ Sun ☿ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☾ Sun ☿ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☾ Sun ☐ Square ♄ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

LUNAR DAY

Moon in ♏ Scorpio · Day 15 / 30 · Full Moon

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
