KEY TRANSIT FACTORS

☾ Moon △ Trine ♃ natal Jupiter

Right now you feel **genuinely optimistic about what's possible**, and other people pick up on that — they become more generous and cooperative with you. You're more likely to take small social risks or ask for what you need because rejection doesn't seem threatening at the moment. These days your mood lifts your practical decisions, so you make choices that actually work out better than usual.

☿ Mercury □ Square ♄ natal Saturn

Your thinking feels slower and more critical right now, as if your mind is working against you instead of for you. You second-guess yourself constantly, rewrite emails before sending them, and **struggle to say what you actually mean**. These delays and self-doubt can make practical tasks like paperwork, contracts, or explaining yourself to others feel exhausting and unnecessarily hard over the coming weeks.

♃ Jupiter ♁ Quincunx ♁ natal Chiron

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

☉ Sun ∟ Semi sextile ♁ natal Chiron

These days you are **more willing to acknowledge your own past difficulties without dwelling on them**. You find yourself talking openly about old hurts or disappointments with a calm, practical tone that surprises others. This gentle support from *transiting Sun* to your natal *Chiron* makes emotional conversations feel lighter and less raw.

♀ Venus △ Trine ♅ natal Uranus

These days you feel more comfortable being yourself around others and less worried about what people expect from you. You're **more willing to try new things socially** — whether that's suggesting an unusual date idea, joining a group with different interests, or speaking up with an unpopular opinion. This period brings a natural ease to your relationships because you're relaxed enough to let your actual personality show, and that authenticity tends to draw people toward you.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ♀ Opposition ♃ Jupiter

Right now you are more likely to overcommit and say yes to things you cannot actually do. Your confidence is high but your realistic assessment of time and resources is low, which creates practical problems down the line. The gap between what you promise and what you deliver becomes **harder to hide**, and people around you start to notice the disconnect.

☉ Sun □ Square ♅ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

LUNAR DAY

Moon in ♒ Aquarius · Day 20 / 30 · Waning Gibbous

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
