KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ♀ natal Mercury

Right now your thinking feels slightly out of sync with how you normally process information. You might notice yourself explaining things in a roundabout way or struggling to find the exact word you want, even though you usually communicate clearly. Over the coming weeks, **paying closer attention to how you're being understood** by others will help you adjust your approach and avoid unnecessary confusion.

♂ Mars ☐ Square ♀ natal Mercury

Right now you're more **quick to argue and interrupt** without thinking through what you're about to say. Your impatience makes it harder to listen, so conversations turn combative when they don't need to be. Over the coming weeks, you'll notice this pattern most at work or with people who challenge your ideas, and stopping to take a breath before you speak will save you real conflicts.

♁ NNode ☿ Quincunx ♁ natal NNode

Over the coming weeks you notice a disconnect between what you think you should be doing and what actually feels right to you. Your **usual sense of direction becomes unclear**, and small decisions that normally feel straightforward now require more thought. This awkward mismatch between your plans and your instincts will settle once this period passes.

☾ Moon △ Trine ♁ natal NNode

Right now you find it easier to **trust your instincts about what matters to you**, and other people respond well to that confidence. Your emotional needs and your sense of direction feel aligned for once, so you naturally gravitate toward people and situations that fit who you actually are. Over the coming weeks, this makes social connections feel less forced and more genuine.

♀ Venus ∟ Semi sextile ☾ natal Moon

These days you find it easier to **accept comfort from people around you** without overthinking it or pulling away. Your emotional guard drops just enough that you can actually enjoy a conversation, a meal shared, or someone's company without feeling like you need to earn it. This small shift makes your relationships feel less like work and more like something that naturally fills you up.

♀ Venus Rx · ♍ Virgo

Criticism in close relationships — both given and received — is sharper than usual right now. Financial habits and relationship rituals that were working may suddenly feel insufficient. Small adjustments to how you give and receive care will matter more than dramatic changes during this period.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

☉ Sun ☿ Opposition ♄ Chiron

At the moment, you're likely to notice what you're **avoiding about yourself** — the parts of your character or your past that make you uncomfortable. This awareness doesn't feel good because it arrives as criticism rather than compassion, leaving you defensive or ashamed. Over the coming weeks, you may find yourself pushing back against feedback from others, even when it contains something useful, because right now your ego feels too raw to hear it.

LUNAR DAY

Moon in ♈ Aries · Day 20 / 30 · Waning Gibbous

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
