## KEY TRANSIT FACTORS

### ♅ Uranus △ Trine ☾ natal Moon ★

You feel oddly comfortable with change right now, even when it comes suddenly. Your **emotional reflexes are fast** — you notice what you actually want instead of what you think you should want, and that clarity helps you make quick practical decisions. Over the coming weeks, people around you will probably notice that you seem more relaxed about shaking things up, whether that means rearranging your home, trying a different routine, or having honest conversations you've been putting off.

### ☾ Moon ♁ Quincunx ☿ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

### ♂ Mars ∟ Semi sextile ♃ natal Jupiter

You're finding it easier to take small steps toward things you actually want right now, without overthinking or stalling yourself. **Your natural confidence is subtle but real** — you're more willing to try something new or speak up in a meeting without needing everything to be perfect first. Over the coming weeks, this steady momentum can help you build on projects or goals that felt stuck before.

### ♁ Chiron ♁ Quincunx ☾ natal Moon

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

### ♃ Jupiter △ Trine ☾ natal Moon

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

### ☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

### ☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

### ☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

Moon in ♎ Libra · Day 8 / 30 · First Quarter

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
