KEY TRANSIT FACTORS

☾ Moon ☾ Semi sextile ♀ natal Venus

Right now you find it easier to **say what you appreciate about the people around you**, and they respond well to it. Your relationships feel a bit lighter because you're noticing the good things instead of focusing on problems. This natural warmth lasts only a few weeks, so it's a good time to strengthen bonds that matter to you.

♅ Uranus △ Trine ♆ natal Neptune

You're finding it easier right now to **turn your creative ideas into something real**, whether that's art, writing, or a practical project you've been imagining. Your intuition is sharper about what actually works, so you can spot the useful parts of your daydreams and leave the rest behind. Over the coming weeks, you'll notice you're less stuck between fantasy and reality, and more able to build something meaningful from both.

♁ Chiron □ Square ♆ natal Neptune

Right now you are **more aware of where you have been avoiding hard truths** about yourself or others, and that awareness is uncomfortable. You may find yourself second-guessing your own perceptions or feeling confused about what you actually believe versus what you wanted to believe. These days this friction between reality and your preferred stories is forcing you to look at situations more honestly, even though the looking itself feels harsh.

♄ Saturn ☾ Quincunx ☾ natal Moon

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

☿ Mercury ☾ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that talking about your past experiences feels awkward or incomplete, as if the right words keep slipping away. You find yourself **starting to explain something painful, then stopping halfway through** because the explanation doesn't quite land. This mismatch between what you feel and what you can actually say might frustrate you, but it can also prompt you to try different ways of understanding what happened to you.

☉ Sun ☽ Conjunction ♀ natal Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☌ Conjunction ♁ Lilith

Right now you're more willing to speak up about what you actually want instead of what you think others expect from you. You might notice yourself saying no more often or pushing back against rules that feel unfair. This directness can create friction in some relationships, but it also clears the air by making your real position obvious.

☾ Moon ☌ Quincunx ♃ Jupiter

These days your feelings and your practical plans don't quite line up, so you end up second-guessing yourself more than usual. You might feel **restless or dissatisfied** even when things are going reasonably well, because part of you wants something bigger while another part knows the timing isn't right. This mismatch between what you want emotionally and what you can actually do creates an awkward pressure that pushes you to make small adjustments rather than major moves.
