KEY TRANSIT FACTORS

♅ Uranus ☿ Quincunx ♅ natal Uranus

You feel restless about routines that used to work for you, and small changes in your daily structure suddenly feel important to make. Your usual way of staying independent or rebelling against rules gets awkward or misaligned, like you are not sure whether to stick with what you know or push against it. Over the coming weeks, you might experiment more with how you organize your time or your space, testing what actually fits you right now.

♁ Chiron △ Trine ☾ natal Moon

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

♊ NNode □ Square ♇ natal Pluto

Right now you are **resisting changes that feel necessary but threatening**, and this resistance is creating real friction in your relationships and work. You want to stay in control of situations that are actually asking you to let go, which makes you come across as stubborn or defensive to people around you. Over the coming weeks, the only way forward is to identify what you are actually afraid of losing and decide whether holding on to it is worth the conflict.

☿ Mercury ☿ Conjunction ♂ natal Mars

Your mind is moving faster than usual right now, and you're more **direct and blunt in conversation** without meaning to offend. You say what you think immediately instead of filtering, which can help you cut through confusion but also create friction with people who prefer a gentler approach. Over the coming weeks, you'll notice you have more mental drive for arguments and debate, so use it on problems that actually need solving rather than picking fights.

☾ Moon ∟ Semi sextile ♀ natal Venus

Right now you find it easier to **say what you appreciate about the people around you**, and they respond well to it. Your relationships feel a bit lighter because you're noticing the good things instead of focusing on problems. This natural warmth lasts only a few weeks, so it's a good time to strengthen bonds that matter to you.

☿ Mercury Rx · ♓ Pisces

Thinking becomes impressionistic rather than precise during this period, making concrete decisions harder than usual. Miscommunications arise from vagueness — what you think you said and what others heard often differ. Creative and intuitive work benefits from this diffuse quality; contracts and deadlines do not.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♈ Aries · Day 3 / 30 · New Moon

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
