KEY TRANSIT FACTORS

♀ Venus ☍ Opposition ♀ natal Venus

You're likely to feel **dissatisfied with your relationships and how others treat you** right now, even if nothing has actually changed. What you normally accept from your partner or friends suddenly feels unfair or emotionally off. These days your own needs feel invisible, and you may swing between giving too much and withdrawing entirely.

♃ Jupiter * Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♂ Mars ∟ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

♄ Saturn * Sextile ☉ natal Sun

Right now you find it easier to stick with what you commit to, and people notice your reliability. You're not rushing to prove yourself or grab attention—you're simply doing the work, and that **steady focus** gains real respect. Over the coming weeks, this is a good time to tackle something practical that requires patience and follow-through.

♁ Chiron ☍ Opposition ♃ natal Jupiter

Over the coming weeks, your usual confidence in your own judgment hits a wall, and you start second-guessing decisions you'd normally make without hesitation. You feel **blocked from moving forward on plans** that seemed solid before, as if something keeps exposing the weak spots in your thinking. This period asks you to slow down and check your assumptions rather than barrel ahead—which feels frustrating, but catching these gaps now saves you from bigger mistakes later.

☿ Mercury Rx • ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

♂ Mars Rx • ♈ Aries

Drive and initiative are available but misfire easily right now. You may start things with conviction and then lose momentum, or feel frustrated that effort does not produce the results it normally would. Avoid starting major new projects; redirecting existing efforts is more productive than launching fresh ones.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☉ Sun △ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.
