## KEY TRANSIT FACTORS

### ♃ Jupiter ☿ Conjunction ♄ natal Saturn ★

Over the coming weeks, you're likely to feel **more serious about your plans and less willing to skip steps**. You'll probably want to finish what you've started before moving on to something new, and you may feel frustrated if others rush you or if deadlines keep shifting. This is a practical time to consolidate what you've built and to test whether your ambitions actually work in the real world.

### ♃ Jupiter ★ Sextile ♁ natal NNode ★

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

### ♃ Jupiter ☿ Conjunction ♃ natal Jupiter

Over the coming weeks, you're likely to feel **more confident in your own judgment** and less interested in playing it safe. You may take on bigger projects, spend more freely, or expand your social circle without the usual second-guessing. This is when luck tends to favour people who actually move forward instead of waiting, so your timing for starting something new is genuinely better right now.

### ♇ Pluto △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to take productive risks and push past self-imposed limits without overthinking. Your **confidence in your own judgment grows**, and you're more likely to follow through on plans that require persistence or personal reinvention. This is a good window to tackle something you've been putting off because it feels too big or demanding.

### ♁ NNode ★ Sextile ♀ natal Venus

You find it easier right now to connect with people in genuine ways and speak up about what matters to you socially. Your **natural warmth and openness come across more clearly**, and others respond positively to this shift in how you show up. Over the coming weeks, this period supports making new friendships or deepening existing relationships without the usual awkwardness or second-guessing.

### ☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

### ♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun ♅ Opposition ♆ Neptune

Right now you are **more likely to feel confused about what you actually want** because the gap between your real goals and your wishful thinking is wider than usual. You might make promises you cannot keep or agree to things without checking the practical details first. The emotional fog makes it harder to trust your own judgment, so this is a good time to ask someone else before you commit to anything important.
