♁ North Node	in ♌ Leo	8°35'49"	VIII Rx
♁ Lilith	in ♏ Scorpio	8°30'15"	XI

KEY TRANSIT FACTORS

♆ Neptune * Sextile ☿ natal Mercury ★

Your mind feels more **flexible and imaginative** right now, making it easier to see connections between ideas that normally seem separate. You might find yourself writing more fluently, explaining things in ways people actually understand, or picking up creative projects without the usual self-criticism. This is a good window to explore new subjects, work on communication that requires empathy, or simply let your thinking become a bit more intuitive than usual.

☉ Sun △ Trine ♁ natal Uranus ★

Over the coming weeks, you feel more comfortable taking a different approach to something you've been doing the same way for years. Your **willingness to experiment without overthinking** makes it easy to try new methods at work or in your daily routine. This is a practical window where change feels natural rather than risky, so any updates or innovations you're considering have real momentum behind them.

☉ Sun □ Square ♆ Neptune ★

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

☿ Mercury □ Square ♁ natal Chiron

While this lasts, you find yourself **rehashing old hurts in conversations** without meaning to. You say things that accidentally trigger people or bring up painful topics you thought you'd moved past. This period can feel frustrating because your words seem to land wrong, even when you're trying to help or connect.

♄ Saturn qx Quincunx ♀ natal Venus

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

☉ Sun qx Quincunx ☿ natal Mercury

While this lasts, you find it hard to explain what you actually mean, even though your thoughts feel perfectly clear inside your head. People misunderstand you more often than usual, and you might notice yourself **rephrasing things multiple times** without getting your point across any better. The mismatch between what you think and what comes out of your mouth will probably frustrate you until this period passes.

♿ Mercury * Sextile ♀ Venus

These days you find it easier to say what you actually mean without hurting people's feelings. **Your words come across as thoughtful and warm** instead of blunt, which makes conversations go smoother and helps you connect with others. This is a good time to have the talks you have been putting off, since *Mercury* and *Venus* are working together to make you both honest and considerate.

♿ Mercury * Sextile ♃ Jupiter

These days your thinking feels clearer and you naturally find words that actually land with people instead of causing friction. You're picking up on details you'd normally miss, and your mind keeps making useful connections between different ideas. This is a good time to have important conversations, write something down, or pitch an idea because people are listening with an open mind right now.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNAR DAY

Moon in ♊ Gemini · Day 26 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Pisces

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
