KEY TRANSIT FACTORS

♄ Saturn * Sextile ♊ natal NNode · peak 1 Aug ★

You are finding it easier to stick with commitments that actually matter to you right now, whether that's a project, a relationship, or a personal goal. **Your ability to follow through** feels natural instead of forced, and people around you notice you are more reliable than usual. This period gives you real momentum to build something solid that aligns with where you actually want to go.

♇ Pluto qx Quincunx ☉ natal Sun · peak 31 Aug ★

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

♂ Mars △ Trine ☾ natal Moon · peak 29 Aug ★

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

♁ Chiron □ Square ♃ natal Jupiter · peak 26 Aug

Over the coming weeks, your usual confidence in your abilities hits a wall, and you find yourself **doubting decisions you'd normally make without hesitation**. You may overcommit to plans or promises, then realize halfway through that you lack the resources or energy to follow through, leaving you feeling stretched thin. The mismatch between what you think you can do and what actually works in practice becomes impossible to ignore, forcing you to get honest about your real limits.

♁ Chiron □ Square ♄ natal Saturn · peak 10 Aug

Right now you're noticing where you've built walls to protect yourself, and those same walls are making you feel trapped and isolated. You become **more critical of yourself and others**, expecting failure before you even try, which makes it harder to reach out or take reasonable risks. Over the coming weeks, this period pushes you to examine whether your caution is actually keeping you safe or just keeping you small.

♆ Neptune qx Quincunx ♀ natal Venus · peak 20 Aug

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

♃ Jupiter * Sextile ♀ natal Venus · peak 11 Aug

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♄ Chiron ♁ Quincunx ♁ natal NNode · peak 1 Aug

Over the coming weeks, you feel pulled in two directions about your social role and where you fit in. You notice yourself second-guessing decisions about groups or communities you belong to, even though you usually know what you want. This **uncomfortable self-doubt** is temporary, and it often signals that some adjustment to how you present yourself socially is actually needed.

♁ NNode ∟ Semi sextile ♀ natal Venus · peak 31 Aug

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

♅ Uranus * Sextile ♄ natal Chiron · peak 1 Aug

You find it easier right now to talk about past difficulties without getting stuck in them, and people actually listen differently when you do. Your **ability to explain what hurt you in a practical way** opens doors to real conversations instead of arguments. This period gives you a chance to turn old pain into something useful that helps both you and others move forward.

♇ Pluto ♁ Quincunx ♀ natal Venus · peak 1 Aug

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♁ NNode △ Trine ♁ natal Pluto · peak 1 Aug

You find it easier right now to **face difficult truths about yourself without feeling defensive**. People respond well when you talk about what you actually want instead of what you think you should want. Over the coming weeks, this honesty opens doors that staying quiet would have kept closed.

♄ Saturn ♁ Quincunx ♄ natal Chiron · peak 31 Aug

Over the coming weeks, you may notice that **old wounds or insecurities surface when you face practical limits**—especially around work, deadlines, or things you cannot control. This happens because *Saturn* is making you take a hard look at what you've been managing poorly or avoiding, and it feels uncomfortable. The shift you need is to stop protecting yourself and instead be honest about where you actually need help or training.

♇ Pluto * Sextile ♁ natal Pluto · peak 31 Aug

You find it easier right now to **let go of situations that no longer serve you** without drama or regret. *Pluto* transiting in *sextile* to your natal *Pluto* gives you psychological permission to close chapters cleanly and move forward. Over the coming weeks you may notice you're making practical decisions about what stays and what goes with unusual clarity and calm.

♅ Uranus △ Trine ♀ natal Venus · peak 31 Aug

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

♿ Mercury Rx · ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

LUNATIONS

○ Full Moon · Tuesday, 5 Aug

in ♒ Aquarius

social awakening, group dynamics, collective peak

in H2 — Resources & Values

A financial matter or question of personal value is reaching its peak. Something involving **money, possessions, or what you're truly worth** is being illuminated — this might mean a payment arriving, a resource reaching its limit, or a clearer picture of your actual financial situation. What you've built (or failed to build) around security and income becomes visible now. This is a moment for clarity, not new spending — use what this full moon reveals to adjust your approach.

● New Moon · Thursday, 21 Aug

in ♌ Leo

creative spark, self-expression, new confidence

in H9 — Expansion & Beliefs

Your beliefs, worldview, and hunger for broader experience are entering a fresh cycle. This lunation supports **travel, higher education, publishing, or any pursuit that expands your horizons** beyond the familiar. A new philosophy or spiritual direction may begin taking shape now. Whether you're planning a journey, starting a course of study, or simply opening your mind to different perspectives, what you initiate carries real weight for your long-term growth.

KEY DATES

Tue, 5 Aug Full Moon in Aquarius

Sun, 10 Aug ♀ Venus enters ♍ Virgo

♄ Chiron □ Square ♄ natal Saturn

Venus in Virgo makes people **pickier about who and what they spend time on**, noticing small details that matter to them more than before. In relationships and at work, this shift brings **honest feedback** instead of smooth talk—people say what actually needs fixing rather than what sounds nice. Most notice they'd rather **organize their space, fix problems, and do real things** than go out or make grand gestures during this period.

Mon, 11 Aug ♃ Jupiter * Sextile ♀ natal Venus

Sun, 17 Aug ♄ Chiron □ Square ♃ natal Jupiter

Mon, 18 Aug ♃ Jupiter * Sextile ♀ natal Venus

Thu, 21 Aug New Moon in Leo

Sat, 23 Aug ☉ Sun enters ♍ Virgo

☿ Mercury stations Direct

Sun in Virgo brings a shift toward **noticing details** that slipped past you before — at work, people start organizing their spaces and making lists, and conversations focus on what actually needs fixing rather than big ideas. In relationships and daily routines, there's more **interest in getting things right**, which can mean partners point out mistakes more often or you find yourself doing the same, and this period favors tackling tasks you've postponed. Virgo energy also makes people more **hesitant about committing** until they've checked all the facts, so decisions take longer but tend to be more solid.

Tue, 26 Aug ♄ Chiron □ Square ♃ natal Jupiter

Thu, 28 Aug ♂ Mars enters ♐ Sagittarius

Mars entering Sagittarius brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.
