KEY TRANSIT FACTORS

♂ Mars △ Trine ☾ natal Moon · peak 5 Dec ★

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

♆ Neptune □ Square ♊ natal NNode · peak 27 Dec

Right now you are **second-guessing decisions you thought were settled**, especially about work or relationships that felt like the right direction. Your usual instinct for what matters to you becomes fuzzy, and you find yourself drawn to options that promise escape or easy answers instead of doing the real work. Over the coming weeks, you will probably feel frustrated by this confusion until you accept that clarity simply takes longer during this period.

♆ Neptune ♂ Conjunction ♁ natal Lilith · peak 24 Dec

You're becoming much less clear about your own boundaries and what you actually want right now. People around you pick up on this softness and may start testing your limits or making requests they normally wouldn't. Over the coming weeks, pay attention to situations where you say yes when you mean no, because you'll find it harder than usual to feel what your real preference is.

♄ Chiron △ Trine ♇ natal Pluto · peak 17 Dec

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

♄ Saturn □ Square ♄ natal Saturn · peak 13 Dec

You feel **blocked and frustrated** by rules and limits that suddenly feel too tight, whether at work or in your own routines. Everything takes longer than it should right now, and you are likely to doubt whether you have what it takes to reach your goals. These feelings are real but temporary, and pushing harder against the resistance usually backfires, so your best move is to slow down and rebuild your structure piece by piece.

♊ NNode ♂ Opposition ♂ natal Mars · peak 24 Dec

Right now you're running into friction between what you want to do and what other people need from you. Your usual directness and confidence come across as selfish or aggressive to those around you, even when you don't intend it that way. **You feel pulled in opposite directions** — your instinct is to act fast and claim what you want, but circumstances keep forcing you to slow down and consider other people's interests instead.

♁ NNode * Sextile ♃ natal Uranus · peak 6 Dec

Over the coming weeks, you find it easier to **act on unusual ideas without second-guessing yourself**. You spot opportunities to do things differently in practical ways — a new work method, a social connection, or a creative experiment — and you move forward with genuine confidence instead of doubt. This is a good time to test something you've been curious about because your instinct for what actually works feels sharp and reliable right now.

♄ Saturn ☌ Quincunx ♁ natal NNode · peak 24 Dec

Right now you feel caught between what you're naturally drawn to and what actually works in practice. You notice yourself second-guessing choices that normally feel easy, which creates an awkward gap between your instincts and your actions. This **mismatch between intention and follow-through** will fade once *Saturn* moves past this angle, but while it lasts you benefit from checking your decisions twice rather than trusting your first instinct.

♄ Saturn ☐ Square ♃ natal Jupiter · peak 9 Dec

Right now you are running into real limits on plans you thought were solid, and it feels frustrating because you expected things to move faster. Your natural **optimism about what's possible hits a wall**, and you have to sit with delays, rejections, or the plain fact that something costs more than you budgeted. Over the coming weeks, this friction between your hopes and actual circumstances forces you to get honest about what you can actually do, which is uncomfortable but necessary.

♃ Jupiter ☌ Quincunx ♄ natal Chiron · peak 14 Dec

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

♄ Chiron * Sextile ♆ natal Neptune · peak 31 Dec

Over the coming weeks, you find it easier to **talk about your feelings without overdoing the drama**. Your natural compassion stays intact, but you're less likely to get lost in someone else's problems or your own fantasies about what they need. This is a good time to offer real support to people around you because you can actually listen instead of just projecting your own hopes onto their situation.

♆ Neptune ∟ Semi sextile ♄ natal Saturn · peak 1 Dec

Right now you find it easier to **soften rigid rules you've been following without questioning**, and this actually helps you get more done rather than less. Your practical judgment stays sharp while you become less harsh with yourself about small mistakes or delays. These next few weeks give you a real chance to loosen your grip on control and discover that things still work out fine.

♇ Pluto ∟ Semi sextile ♃ natal Jupiter · peak 8 Dec

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

♁ NNode * Sextile ☾ natal Moon · peak 1 Dec

These days you're naturally **more comfortable opening up to people** about what you actually feel instead of keeping things hidden. Your emotional honesty tends to create real connection rather than awkwardness, and others respond by being honest back. Over the coming weeks, this straightforward way of relating makes your relationships feel less exhausting and more genuine.

♄ Chiron ∟ Semi sextile ☼ natal Sun · peak 31 Dec

These days you notice you can **talk about your own difficulties without shame**, which makes people trust you more easily. Your willingness to be honest about what you have struggled with gives others permission to do the same, and conversations become more real. This openness creates small moments of connection that feel genuinely supportive on both sides.

☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

LUNATIONS

● New Moon · Tuesday, 1 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

○ Full Moon · Monday, 14 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H7 — Partnerships

A significant relationship is reaching a turning point. Something between you and a **partner, collaborator, or significant other** is being fully illuminated — what's been working, what hasn't, and what needs to change. This full moon often brings a relationship decision to the surface: a commitment deepening, a conflict coming to a head, or a partnership reaching its natural conclusion. See clearly what's actually in front of you, not what you've hoped it would become.

KEY DATES

Tue, 1 Dec New Moon in Sagittarius

Fri, 4 Dec ♀ Mercury stations Direct

♂ Mars enters ♐ Sagittarius

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Sun, 6 Dec ♁ NNode * Sextile ☽ natal Uranus

♆ Chiron △ Trine ♃ natal Pluto

♄ Saturn □ Square ♄ natal Saturn

Tue, 8 Dec ♀ Venus enters ♏ Scorpio

♁ NNode enters ♍ Virgo

Venus in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

Wed, 9 Dec ♃ Pluto stations Retrograde

♄ Saturn □ Square ♃ natal Jupiter

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

Sun, 13 Dec ♄ Saturn □ Square ♄ natal Saturn

Mon, 14 Dec ☿ Mercury enters ♐ Sagittarius

Full Moon in Gemini

♁ NNode * Sextile ☽ natal Uranus

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Thu, 17 Dec ♆ Chiron △ Trine ♃ natal Pluto

Sun, 20 Dec ♆ Neptune □ Square ♁ natal NNode

Wed, 23 Dec ☼ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people

around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
