KEY TRANSIT FACTORS

♃ Mercury ☿ Quincunx ☾ natal Moon · peak 25 Dec ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♂ Mars ∟ Semi sextile ☿ natal Mercury · peak 1 Dec ★

Your mind feels sharper these days, and you're picking up on details you'd normally miss in conversations. **You speak with more directness and confidence**, which helps you get your point across without wasting time on unnecessary words. This is a practical window for tackling projects that need clear thinking or sorting out plans you've been sitting with.

♆ Neptune △ Trine ☉ natal Sun · peak 20 Dec

While this lasts, you feel more **comfortable being yourself around others** without needing to explain or defend who you are. People seem to understand you more easily right now, and conversations flow naturally because you're not trying so hard to fit in. This is a good time to express creative ideas or talk about what actually matters to you, since your words carry a gentler weight that draws people in.

♅ Uranus ♀ Opposition ♂ natal Mars · peak 19 Dec

Right now you feel **restless and impatient with your own plans**, and anything that requires you to wait or follow a schedule feels unbearable. You may act on impulse in situations where you normally think things through, which can create friction with people who depend on your reliability. Over the coming weeks, this clash between your need for sudden change and your usual way of taking action will force you to notice where you've become too rigid or stuck.

♁ NNode ∟ Semi sextile ☉ natal Sun · peak 7 Dec

These days you find it easier to say yes to opportunities that align with what matters to you, without overthinking or second-guessing yourself. People respond well to your **straightforward confidence**, and small doors open because you are simply more willing to walk through them. Over the coming weeks, you may notice that the choices you make feel less exhausting because you are following your own direction instead of trying to fit someone else's plan.

♁ NNode △ Trine ♆ natal Neptune · peak 16 Dec

While this lasts, you find it easier to **trust your instincts** about people and situations without needing to analyze everything. Your imagination becomes more practical during these weeks, letting you spot creative solutions in ordinary problems at work or home. You naturally connect with what others need from you emotionally, so your relationships feel less strained and your social interactions run smoother than usual.

♄ Chiron ☌ Conjunction ☉ natal Sun · peak 7 Dec

Over the coming weeks you become more aware of the ways you've adapted yourself to please others, and you start to notice which of your natural strengths you've downplayed or hidden. This awareness can feel uncomfortable because it shows you how much energy you've spent managing other people's reactions instead of trusting your own judgment. The practical shift is that you'll catch yourself mid-compromise and feel genuine resistance, which gives you a real chance to make different choices about how much you bend.

♆ Neptune ☌ Semi sextile ♃ natal Neptune · peak 7 Dec

Your **intuition about people feels unusually reliable** right now, and you find yourself noticing things others miss in conversations and social situations. You're picking up on subtle emotional cues without trying, which makes you more naturally attuned to what others actually need rather than what they say they need. This quiet perceptiveness helps you connect with people in a genuine way and gives your relationships a softer, more understanding quality over these coming weeks.

♇ NNode ☌ Opposition ♅ natal Pluto · peak 31 Dec

Right now you are **resisting changes that feel necessary but threatening**. You want to stay in control of situations that are slipping away, and that grip is making you anxious and irritable with people around you. Over the coming weeks, the more you push back against what needs to shift, the more friction you will create in your relationships and work.

♄ Chiron ☐ Square ♆ natal Neptune · peak 7 Dec

Right now you are **more aware of where you have been avoiding hard truths** about yourself or others, and that awareness is uncomfortable. You may find yourself second-guessing your own perceptions or feeling confused about what you actually believe versus what you wanted to believe. These days this friction between reality and your preferred stories is forcing you to look at situations more honestly, even though the looking itself feels harsh.

♄ Saturn ☌ Opposition ♃ natal Jupiter · peak 31 Dec

Right now you're running into real limits on your optimism and spending habits. You feel **more cautious and doubtful** about plans that seemed exciting weeks ago, and money or time constraints are forcing you to scale back. This friction between your natural confidence and harsh reality is uncomfortable, but it's pushing you to be honest about what you can actually do instead of what you wish you could do.

♅ Uranus * Sextile ♅ natal Uranus · peak 31 Dec

You find yourself **more willing to try new approaches** to problems that have frustrated you before. These days, you can spot practical changes that might actually work without overthinking them. Over the coming weeks, this clarity makes it easier to break free from routines that no longer fit your life.

♅ Pluto ☌ Semi sextile ♅ natal Pluto · peak 26 Dec

Over the coming weeks, you find yourself **making practical changes without the usual resistance** in areas where you normally feel stuck. Small shifts in how you approach difficult tasks or relationships happen naturally, almost without effort on your part. This is a good time to act on improvements you've been thinking about, because the psychological friction that usually holds you back feels noticeably lighter right now.

♆ Neptune ☌ Semi sextile ♅ natal Pluto · peak 1 Dec

These days you find it easier to **let go of control** in situations where you've been holding tight for too long. Small shifts in your practical routines or relationships feel natural rather than forced, as if you're finally allowing things to move at their own pace. Over the coming weeks, this lighter approach helps you see what actually needs to change and what you can safely release.

♃ Jupiter ☌ Semi sextile ♃ natal Jupiter · peak 22 Dec

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

- Progressed Moon △ Trine ♃ natal Jupiter

LUNATIONS

● New Moon · Saturday, 2 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

○ Full Moon · Saturday, 16 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H7 — Partnerships

A significant relationship is reaching a turning point. Something between you and a **partner, collaborator, or significant other** is being fully illuminated — what's been working, what hasn't, and what needs to change. This full moon often brings a relationship decision to the surface: a commitment deepening, a conflict coming to a head, or a partnership reaching its natural conclusion. See clearly what's actually in front of you, not what you've hoped it would become.

KEY DATES

Sat, 2 Dec ♂ Mars enters ♒ Aquarius

New Moon in Sagittarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Wed, 6 Dec ☿ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Thu, 7 Dec ♀ Venus enters ♏ Scorpio

♄ Chiron stations Direct

♄ Chiron ☌ Conjunction ☉ natal Sun

♄ Chiron ☐ Square ♆ natal Neptune

Venus in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

Sat, 9 Dec ♄ Saturn stations Direct

Saturn turning direct means **stuck decisions and delayed projects** can finally move again after months of standing still. What felt unclear or blocked in your work, finances, or long-term plans becomes **clearer and actionable** as *Saturn* pushes forward. The pattern most people notice is **real progress on what matters** — whether that's getting a commitment from someone, finishing something you started, or seeing results from hard work you put in during the retrograde.

Sun, 10 Dec ♅ Uranus ☌ Opposition ☌ natal Mars

♆ Neptune ☌ Trine ☉ natal Sun

Sat, 16 Dec Full Moon in Gemini

♁ NNode ☌ Trine ♆ natal Neptune

Mon, 18 Dec ♄ Chiron ☌ Conjunction ☉ natal Sun

Tue, 19 Dec ♅ Uranus ☌ Opposition ☌ natal Mars

Wed, 20 Dec ♆ Neptune ☌ Trine ☉ natal Sun

Fri, 22 Dec ♃ Jupiter stations Retrograde

Jupiter stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or

educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.

Sat, 23 Dec ☉ Sun enters ♄ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sun, 24 Dec ♄ Saturn ☌ Opposition ♃ natal Jupiter

Mon, 25 Dec ☿ Mercury enters ♄ Capricorn

♁ NNode △ Trine ♆ natal Neptune

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Tue, 26 Dec ♇ Pluto stations Retrograde

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.
