♊ North Node	in	♌ Leo	8°35'49"	VIII Rx
♁ Lilith	in	♏ Scorpio	8°30'15"	XI

### KEY TRANSIT FACTORS

#### ♆ Neptune \* Sextile ♃ natal Mercury · peak 1 Jan ★

Your mind feels more **flexible and imaginative** right now, making it easier to see connections between ideas that normally seem separate. You might find yourself writing more fluently, explaining things in ways people actually understand, or picking up creative projects without the usual self-criticism. This is a good window to explore new subjects, work on communication that requires empathy, or simply let your thinking become a bit more intuitive than usual.

#### ♆ Neptune ☐ Square ☉ natal Sun · peak 1 Jan ★

Your usual sense of who you are feels fuzzy and unreliable right now, making it harder to trust your own judgment about what matters to you. You may find yourself **second-guessing decisions** you thought were solid, or feeling pulled toward things that don't actually fit your real goals. This confusion can show up practically as poor timing in work or relationships, since you're not reading situations clearly while *Neptune* squares your *Sun*.

#### ♄ Mercury ☿ Quincunx ☾ natal Moon · peak 14 Jan ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

#### ☉ Sun ☐ Semi sextile ♃ natal Mercury · peak 18 Jan ★

These days you find it easier to **explain your thoughts clearly** without overthinking what you say. People seem to understand your point the first time, and conversations flow naturally because you're not second-guessing yourself. This relaxed confidence with words can help you tackle small communication tasks at work or smooth over minor misunderstandings in your personal life while it lasts.

#### ♃ Jupiter ☐ Square ♂ natal Mars · peak 15 Jan

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

#### ♄ Saturn ☉ Opposition ♄ natal Chiron · peak 11 Jan

Right now you are running into hard limits on what you can do to help or fix things for people around you, and it feels like failure. You keep trying to solve problems that aren't yours to solve, and **reality is pushing back harder than usual**. Over the coming weeks, you'll need to accept that some pain in your life or others' lives cannot be managed away, no matter how skilled you are at it.

### ♃ Neptune ∟ Semi sextile ☿ natal Uranus · peak 20 Jan

Your **imagination becomes practical** during this period, and ideas that normally stay stuck in your head suddenly feel doable. You find yourself sketching out plans for changes you want to make, whether that's rearranging your space or trying something new at work. This is a good window to turn those creative thoughts into actual steps forward, because right now your daydreams have real traction.

### ♃ Jupiter ☌ Quincunx ☾ natal Moon · peak 25 Jan

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

### ♃ Jupiter ∟ Semi sextile ☿ natal Uranus · peak 19 Jan

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

### ♃ Jupiter \* Sextile ☿ natal Mercury · peak 8 Jan

Your mind works faster and more clearly right now, making it easier to see solutions you usually miss. You find yourself **explaining things well** and picking up new information quickly, whether at work or in conversations. This is a practical window to tackle writing projects, learning, or any discussion that matters to you.

### ♄ Chiron □ Square ☿ natal Mercury · peak 31 Jan

Right now you're second-guessing what you say before you say it, which makes conversations feel awkward and slow. You notice **doubts creeping in about your own knowledge** — facts you were sure about suddenly feel uncertain, and you hesitate to speak up. This friction between thinking and speaking will ease in a few weeks, but for now it's worth recognizing that this self-doubt is temporary, not a real change in how smart you actually are.

### ♁ NNode ∟ Semi sextile ♄ natal Chiron · peak 1 Jan

Over the coming weeks, you'll find it easier to **notice when someone else is struggling and know exactly what to say** without overthinking it. This natural gift for understanding pain in others comes from recognizing similar patterns in yourself, and right now that recognition flows smoothly instead of getting tangled up. People around you will feel genuinely heard by you during this period, and that simple act often helps them more than they expected.

### ♃ Neptune □ Square ♂ natal Mars · peak 1 Jan

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

### ♇ Pluto □ Square ☾ natal Moon · peak 1 Jan

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ♄ Chiron \* Sextile ♂ natal Mars · peak 1 Jan

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

### ☿ Mercury Rx · ♄ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

## PROGRESSED MOON

---

○ Progressed Moon in ♍ Virgo 8.0° H9

○ Progressed Moon \* Sextile ♃ natal Lilith

## LUNATIONS

---

● New Moon · Tuesday, 3 Jan

in ♄ Capricorn

long-term goals, ambition, structural reset

in H2 — Resources & Values

Your financial picture and sense of personal worth are entering a new chapter. This lunation plants seeds around **income, resources, and what you truly value** — it's the moment to start building something that will grow steadily rather than chasing quick results. A practical new step in managing money, establishing a skill, or clarifying what security means to you personally will have lasting effects over the coming months.

○ Full Moon · Wednesday, 18 Jan

in ♋ Cancer

emotional culmination, family matters, inner needs surface

in H8 — Transformation

A deep transformation is reaching its peak. Something involving **joint finances, emotional power dynamics, or a significant inner change** is being exposed to full light. Secrets, buried feelings, or unresolved matters around shared resources may surface now with unusual intensity. This full moon asks you to **face something that has been avoided** — in money, intimacy, or your relationship with loss and change. What is released here genuinely frees you.

#### KEY DATES

**Sun, 1 Jan** ♀ Venus enters ♐ Sagittarius

♆ Neptune ☐ Square ♂ natal Mars

♇ Pluto ☐ Square ♃ natal Moon

♄ Chiron \* Sextile ♂ natal Mars

♃ Jupiter ☐ Square ☉ natal Sun

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Tue, 3 Jan** New Moon in Capricorn

**Sun, 8 Jan** ♃ Jupiter \* Sextile ♀ natal Mercury

**Mon, 9 Jan** ♆ Neptune ☐ Square ♂ natal Mars

♇ Pluto ☐ Square ♃ natal Moon

**Wed, 11 Jan** ♃ Mercury stations Direct

♂ Mars enters ♏ Scorpio

♄ Saturn ♂ Opposition ♄ natal Chiron

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Sun, 15 Jan** ♃ Jupiter ☐ Square ♂ natal Mars

**Wed, 18 Jan** Full Moon in Cancer

**Thu, 19 Jan** ♆ Neptune enters ♄ Capricorn

*Neptune* entering *Capricorn* shifts focus from imagination to **practical results**, so people tend to notice they care less about big dreams and more about **what actually works**. At work and in relationships, the pattern is that **vague promises** stop working—others expect clear timelines, solid plans, and measurable progress instead of hopeful talk. Over the next years, you'll see people **cut through confusion** by asking harder questions, backing away from schemes that sound good but lack real structure, and building things that have actual rules and accountability.

**Fri, 20 Jan** ♃ Jupiter enters ♄ Capricorn

*Jupiter* in *Capricorn* brings a **practical focus to growth**, and you'll notice people around you caring more about real results than big promises. At work and in money matters, there's a shift toward **building slowly and checking progress** — promotions come through steady effort, not sudden luck, and people stop wasting time on schemes that sound good but don't hold up. In relationships and personal goals, **patience and structure** actually start to feel rewarding instead of boring, so this is when people finally follow through on plans they've been putting off.

**Sat, 21 Jan** ☉ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following

the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sun, 22 Jan** ☿ Chiron □ Square ♃ natal Mercury

**Mon, 23 Jan** ♄ Saturn ☾ Opposition ☿ natal Chiron

**Thu, 26 Jan** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Tue, 31 Jan** ☿ Chiron □ Square ♃ natal Mercury
