KEY TRANSIT FACTORS

♁ NNode ☿ Quincunx ♃ natal Jupiter · peak 13 Dec

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

♇ Pluto ♌ Semi sextile ♃ natal Jupiter · peak 27 Dec

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

♃ Jupiter ☐ Square ♄ natal Chiron · peak 14 Dec

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

♁ NNode ☿ Quincunx ♄ natal Saturn · peak 3 Dec

Right now you are noticing a mismatch between what you feel you should do and what actually works in your life, which makes **decision-making feel awkward and slow**. You might find yourself second-guessing practical choices or feeling like the obvious path forward has a hidden complication you cannot quite name. Over the coming weeks, the best approach is to sit with this discomfort rather than push through it—your instincts are picking up on something real that needs attention.

♅ Uranus ☐ Square ♀ natal Venus · peak 31 Dec

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

♇ Pluto ♌ Semi sextile ♄ natal Saturn · peak 31 Dec

These days you find it easier to **follow through on commitments** without overthinking or second-guessing yourself. A practical focus comes naturally to you right now, and you notice you can break larger goals into manageable steps without getting bogged down. This period supports steady progress on anything you've been putting off, especially projects that require discipline and careful planning.

♄ Saturn △ Trine ☾ natal Moon · peak 1 Dec

These days you find it easier to **stay calm when things go wrong**, because you're not getting swept up in panic the way you normally do. Your emotions feel more manageable and you can actually sit with difficult feelings instead of rushing to fix them or push them away. This stability gives you real space to think clearly about what you actually need, and people around you probably notice you're more grounded and reliable right now.

♁ NNode □ Square ♁ natal NNode · peak 1 Dec

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

♆ Neptune qx Quincunx ☾ natal Moon · peak 1 Dec

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

♃ Jupiter ∟ Semi sextile ♀ natal Venus · peak 31 Dec

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

♇ Pluto ♂ Conjunction ♁ natal Lilith · peak 31 Dec

Right now you are examining parts of yourself that you normally keep hidden or suppress, and this feels both uncomfortable and oddly necessary. You may find yourself **pushing back against rules or expectations** that never actually fit you, whether at work or in relationships. Over the coming weeks, this restlessness will likely push you to make a practical change in how you present yourself or what you actually allow yourself to want.

♄ Saturn ♂ Conjunction ♅ natal Uranus · peak 1 Dec

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

♄ Saturn * Sextile ♃ natal Jupiter · peak 31 Dec

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

♇ Pluto □ Square ♁ natal NNode · peak 31 Dec

Right now you're questioning whether you're on the right track in life, and this doubt feels unusually intense and hard to ignore. You may **withdraw from people or activities** that once felt important to you, as if you need to strip things down to what actually matters. Over the coming weeks, expect to feel pushed to make real changes in how you spend your time and who you spend it with, even though the process feels uncomfortable and unclear.

♄ Chiron * Sextile ♁ natal NNode · peak 31 Dec

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

☿ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

LUNATIONS

● New Moon · Thursday, 12 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

○ Full Moon · Thursday, 26 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H7 — Partnerships

A significant relationship is reaching a turning point. Something between you and a **partner, collaborator, or significant other** is being fully illuminated — what's been working, what hasn't, and what needs to change. This full moon often brings a relationship decision to the surface: a commitment deepening, a conflict coming to a head, or a partnership reaching its natural conclusion. See clearly what's actually in front of you, not what you've hoped it would become.

KEY DATES

Sun, 1 Dec ♄ Saturn △ Trine ☾ natal Moon

Wed, 4 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Thu, 5 Dec ☿ Mercury enters ♏ Scorpio

Mercury in *Scorpio* brings **sharper focus** to conversations—people tend to ask tougher questions and get straight to what actually matters instead of making small talk. At work and in relationships, you'll notice others **reading between the lines** more carefully and expecting the same from you, which means vague answers stop working. This transit makes people less willing to skim the surface, so discussions go **deeper and longer** than usual, and secrets or half-truths become harder to hide.

Sun, 8 Dec ☿ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Thu, 12 Dec ☿ Mercury enters ♐ Sagittarius

New Moon in Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Sat, 14 Dec ♃ Jupiter □ Square ♄ natal Chiron

Sun, 15 Dec ♂ Mars enters ♏ Scorpio

Mars in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

Sun, 22 Dec ☼ Sun enters ♏ Capricorn

♅ Uranus □ Square ♀ natal Venus

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Thu, 26 Dec Full Moon in Gemini

Fri, 27 Dec ♀ Venus enters ♏ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.
