♁ North Node	in ♌ Leo	8°35'49"	VIII Rx
♁ Lilith	in ♏ Scorpio	8°30'15"	XI

**KEY TRANSIT FACTORS**

☿ Mercury ☾ Quincunx ☾ natal Moon · peak 6 Jan ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

☉ Sun ☽ Semi sextile ☿ natal Mercury · peak 18 Jan ★

These days you find it easier to **explain your thoughts clearly** without overthinking what you say. People seem to understand your point the first time, and conversations flow naturally because you're not second-guessing yourself. This relaxed confidence with words can help you tackle small communication tasks at work or smooth over minor misunderstandings in your personal life while it lasts.

♂ Mars △ Trine ☾ natal Moon · peak 31 Jan ★

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

♇ Pluto ☽ Semi sextile ♄ natal Saturn · peak 25 Jan

These days you find it easier to **follow through on commitments** without overthinking or second-guessing yourself. A practical focus comes naturally to you right now, and you notice you can break larger goals into manageable steps without getting bogged down. This period supports steady progress on anything you've been putting off, especially projects that require discipline and careful planning.

♅ Uranus □ Square ♀ natal Venus · peak 2 Jan

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

♄ Saturn \* Sextile ♄ natal Saturn · peak 23 Jan

These days you find it easier to stick with your responsibilities without feeling weighed down by them. You can see practical results from the discipline you have built up over time, and this gives you real confidence in what you are capable of. Over the coming weeks, you are likely to follow through on commitments with less friction and to earn recognition from people who notice your reliability.

### ♄ Saturn \* Sextile ♃ natal Jupiter · peak 17 Jan

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

### ♃ Jupiter △ Trine ♇ natal Pluto · peak 25 Jan

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

### ♃ Jupiter ∟ Semi sextile ♀ natal Venus · peak 7 Jan

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

### ♃ Jupiter ∟ Semi sextile ☼ natal Sun · peak 31 Jan

You feel a quiet boost to your confidence right now, making it easier to speak up in situations where you'd normally hold back. People respond well to you at the moment because you come across as genuinely interested and **naturally encouraging**, which opens social and professional doors. This support from *Jupiter* touching your *Sun* lasts a few weeks and works best when you actually say yes to invitations and new opportunities instead of waiting for the perfect moment.

### ♃ Jupiter \* Sextile ♆ natal Neptune · peak 30 Jan

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

### ♇ Pluto ∟ Semi sextile ♃ natal Jupiter · peak 1 Jan

Over the coming weeks, you feel quietly **more willing to take practical steps toward your goals** without the usual second-guessing. *Pluto* is softly encouraging *Jupiter's* natural optimism, so small efforts you make tend to compound into real progress. This is a good time to act on plans you've been sitting with, because your confidence and follow-through are aligned right now.

### ♄ Saturn △ Trine ♁ natal NNode · peak 31 Jan

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

### ♄ Chiron \* Sextile ♁ natal NNode · peak 31 Jan

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

### ♁ NNode qx Quincunx ♃ natal Jupiter · peak 1 Jan

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

## LUNATIONS

---

● New Moon · Saturday, 11 Jan

in ♄ Capricorn

long-term goals, ambition, structural reset

in H2 — Resources & Values

Your financial picture and sense of personal worth are entering a new chapter. This lunation plants seeds around **income, resources, and what you truly value** — it's the moment to start building something that will grow steadily rather than chasing quick results. A practical new step in managing money, establishing a skill, or clarifying what security means to you personally will have lasting effects over the coming months.

○ Full Moon · Saturday, 25 Jan

in ♋ Cancer

emotional culmination, family matters, inner needs surface

in H8 — Transformation

A deep transformation is reaching its peak. Something involving **joint finances, emotional power dynamics, or a significant inner change** is being exposed to full light. Secrets, buried feelings, or unresolved matters around shared resources may surface now with unusual intensity. This full moon asks you to **face something that has been avoided** — in money, intimacy, or your relationship with loss and change. What is released here genuinely frees you.

KEY DATES

Thu, 2 Jan ☽ Uranus □ Square ♀ natal Venus

Mon, 6 Jan ☿ Mercury enters ♄ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sat, 11 Jan New Moon in Capricorn

Mon, 13 Jan ☽ Uranus □ Square ♀ natal Venus

Fri, 17 Jan ♄ Saturn \* Sextile ♃ natal Jupiter

Mon, 20 Jan ☉ Sun enters ♒ Aquarius

♀ Venus enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

Thu, 23 Jan ♄ Saturn \* Sextile ♄ natal Saturn

Sat, 25 Jan ☿ Mercury enters ♒ Aquarius

Full Moon in Cancer

♃ Jupiter △ Trine ♇ natal Pluto

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Thu, 30 Jan ♃ Jupiter \* Sextile ♆ natal Neptune

Fri, 31 Jan ♄ Saturn △ Trine ♁ natal NNode

♄ Chiron \* Sextile ♁ natal NNode
