KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ☾ natal Moon · peak 20 Dec ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♄ Saturn ☿ Quincunx ♃ natal Jupiter · peak 15 Dec

Over the coming weeks, you feel caught between wanting to expand your plans and a nagging sense that something needs tightening up. You find yourself **second-guessing decisions you would normally make quickly**, asking practical questions about timelines and resources that didn't occur to you before. This mismatch between your optimism and your caution isn't comfortable, but it often leads to better-prepared choices once you sit with the discomfort.

♅ Uranus ∟ Semi sextile ♆ natal Neptune · peak 20 Dec

Your **imagination becomes more practical** during this period, letting you turn vague ideas into actual plans without losing the creative spark. You find yourself spotting small improvements in routines or systems that others miss, and these tweaks often work better than expected. This is a good time to experiment with new approaches to familiar problems because your intuition and logical mind are working together instead of pulling in different directions.

♅ Uranus ★ Sextile ☉ natal Sun · peak 28 Dec

Right now you feel more willing to try new approaches and less attached to how things have always been done. You might surprise yourself by saying yes to an opportunity that normally wouldn't interest you, or by making a small change to your routine that actually works better. This is *Uranus* sextile your *Sun* at work—your natural **openness to fresh ideas** is flowing easily, without pushing you into anything uncomfortable or reckless.

♇ Pluto △ Trine ♂ natal Mars · peak 19 Dec

You're finding it easier right now to **push through obstacles without burning yourself out**, because your determination feels steadier and more controlled than usual. Tasks that normally drain you are moving forward with less internal resistance, and you can tell the difference between real effort and pointless struggle. Over these coming weeks, you'll probably notice you accomplish more while actually feeling less frustrated in the process.

♄ Chiron ♂ Opposition ☉ natal Sun · peak 6 Dec

Right now you're running into situations where your usual confidence doesn't work, and you feel **awkward or exposed in ways that sting**. You might notice criticism from others landing harder than usual, or you catching yourself being overly self-critical about decisions you'd normally stand behind. Over the coming weeks, this friction is forcing you to look honestly at where you've been ignoring your own doubts or pushing yourself too hard.

♄ Saturn ☌ Quincunx ♄ natal Saturn · peak 23 Dec

These days you notice your usual routines feel slightly off balance, as if the structure you rely on no longer fits quite right. You might find yourself **adjusting your approach to work or discipline** more often than usual, catching small inefficiencies you'd overlooked before. This discomfort is temporary and often points to practical changes worth making once this period passes.

♃ Jupiter △ Trine ♂ natal Mars · peak 5 Dec

Right now you feel **more capable and willing to take action** on things you have been putting off. Your confidence in your own abilities is higher than usual, and you find yourself moving forward without the self-doubt that normally holds you back. Over the coming weeks, this is a good window to start a physical project, sign up for something challenging, or push for what you actually want instead of settling.

♃ Jupiter ♂ Conjunction ♅ natal Uranus · peak 9 Dec

Right now you feel **restless with your usual routines** and want to try new approaches to familiar problems. You might suddenly decide to change how you work, spend money, or organize your day just because the old way feels boring. This period pushes you toward practical experiments rather than staying comfortable with what you know.

♃ Jupiter △ Trine ♃ natal Moon · peak 14 Dec

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

♄ Chiron □ Square ♃ natal Neptune · peak 1 Dec

Right now you are **more aware of where you have been avoiding hard truths** about yourself or others, and that awareness is uncomfortable. You may find yourself second-guessing your own perceptions or feeling confused about what you actually believe versus what you wanted to believe. These days this friction between reality and your preferred stories is forcing you to look at situations more honestly, even though the looking itself feels harsh.

♅ Uranus □ Square ♃ natal Pluto · peak 1 Dec

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

♃ Pluto ♂ Conjunction ♅ natal Uranus · peak 31 Dec

You feel a strong urge to break free from situations that feel restrictive, and you may act on this impulse more suddenly than usual. Your tolerance for routine and compromise drops noticeably, making you **impatient with anything that feels like control**. Over the coming weeks, expect tension in relationships or work if others don't understand why you need to change direction so quickly.

♃ Jupiter □ Square ♀ natal Mercury · peak 1 Dec

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♄ Saturn ☌ Quincunx ♃ natal NNode · peak 31 Dec

Right now you feel caught between what you're naturally drawn to and what actually works in practice. You notice yourself second-guessing choices that normally feel easy, which creates an awkward gap between your instincts and your actions. This **mismatch between intention and follow-through** will fade once *Saturn* moves past this angle, but while it lasts you benefit from checking your decisions twice rather than trusting your first instinct.

KEY DATES

Thu, 1 Dec † Chiron □ Square ♃ natal Neptune

♁ Uranus □ Square ♇ natal Pluto

Sat, 3 Dec New Moon in Sagittarius

Mon, 5 Dec ♃ Jupiter △ Trine ♂ natal Mars

Tue, 6 Dec † Chiron ♂ Opposition ☉ natal Sun

Fri, 9 Dec ♃ Jupiter enters ♐ Sagittarius

♃ Jupiter ♂ Conjunction ♁ natal Uranus

Jupiter in *Sagittarius* tends to make people **more generous with time and money**, so you might find yourself saying yes to plans or spending more freely than usual. At work and in relationships, **honest conversation flows easier**, though some people notice they also speak without thinking first and accidentally offend others. The pattern is that **learning new skills or travel** becomes more appealing during this time, and people often take that course they've been putting off or book a trip they'd dismissed as unrealistic.

Mon, 12 Dec ♂ Mars enters ♍ Virgo

Mars in *Virgo* pushes you to focus your energy on **details and efficiency** rather than big dramatic moves, so you'll likely find yourself fixing things, organizing workspaces, or solving small problems that pile up. At work and in relationships, this transit brings a **critical eye** — people become more direct about what isn't working and more willing to **do the unglamorous tasks** that actually get results. When *Mars* lands here, impatience with sloppy work or vague plans shows up quickly, so **clear systems and practical action** tend to win over charm or wishful thinking.

Wed, 14 Dec ♃ Jupiter △ Trine ☾ natal Moon

Sat, 17 Dec Full Moon in Gemini

Sun, 18 Dec ♁ Uranus ✕ Sextile ☉ natal Sun

Mon, 19 Dec ☿ Mercury enters ♑ Capricorn

♇ Pluto △ Trine ♂ natal Mars

† Chiron ♂ Opposition ☉ natal Sun

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Thu, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
