KEY TRANSIT FACTORS

♊ NNode ☐ Quincunx ♀ natal Venus · peak 23 Feb

Right now you're noticing a mismatch between what you want in relationships and what actually feels right for you. You might say yes to social invitations or romantic gestures while feeling oddly disconnected from them at the same time. Over the coming weeks, pay attention to what your gut is telling you about your connections, because your head and heart aren't quite lined up.

♅ Uranus ☊ Opposition ☾ natal Moon · peak 1 Feb

Your **emotional habits feel unreliable right now**, and the people close to you notice the shift even if you don't fully understand it yourself. You're more likely to say or do things that surprise your family, and old routines that usually comfort you feel stifling instead. Over the coming weeks, this restlessness will push you to question whether your relationships and domestic life actually work for you, or whether you've just been going along with them.

♃ Jupiter ☐ Square ♃ natal Jupiter · peak 3 Feb

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♄ Saturn ☐ Quincunx ♇ natal Pluto · peak 15 Feb

You feel stuck between wanting to control a situation and knowing you cannot, which makes you irritable and restless in ways that are hard to explain to others. **You push harder on things that won't budge**, and this friction shows up most in relationships or projects where someone else has real power. Over the coming weeks, the practical way forward is to accept what you genuinely cannot change and redirect your effort toward the small moves that are actually within your reach.

♃ Jupiter ☐ Quincunx ♊ natal NNode · peak 12 Feb

Over the coming weeks, you feel pulled toward new opportunities that don't quite fit your usual pattern, and this creates a practical tension you have to work through. You might say yes to something professionally or socially that requires you to **adapt your approach or learn something new**, even though it feels awkward at first. The mismatch between what you want to try and what comes naturally to you forces you to make a real choice about whether growth is worth the temporary discomfort.

♄ Saturn ☐ Square ♆ natal Neptune · peak 25 Feb

Right now you are running into the practical limits of your plans, and it feels frustrating because you can't see exactly where things are breaking down. You become **more critical and doubtful** than usual, second-guessing decisions you made weeks ago and struggling to trust your own judgment. Over the coming weeks, this clash between *Saturn's* demand for clear results and *Neptune's* fog will force you to sort out what is actually possible from what you only hoped might work.

♄ Saturn ☌ Conjunction ☉ natal Sun · peak 28 Feb

You feel a pull toward **taking things seriously** and cutting away what doesn't matter, making decisions now that you've been avoiding for months. Your tolerance for distraction drops, and you're less interested in social obligations or people-pleasing, which can feel isolating but also clarifying. Over the coming weeks, you may feel heavier or more responsible for your choices, and this weight often leads to practical changes you actually stick with.

♃ Jupiter ☐ Square ♄ natal Saturn · peak 6 Feb

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

♄ Chiron ☌ Quincunx ♄ natal Chiron · peak 1 Feb

Over the coming weeks, you might notice old hurts or tender spots suddenly feel awkward or misaligned in new situations. You're **reassessing how you've handled past pain**, and what worked before may not fit anymore. This mismatch can feel uncomfortable, but it's actually showing you where your coping strategies need to shift.

♆ Neptune * Sextile ☉ natal Sun · peak 1 Feb

You're finding it easier to **notice what others need** without being asked, and people respond well to this attentiveness right now. Your practical decisions feel more intuitive, and you're less likely to get stuck overthinking small details the way you usually do. Over the coming weeks, this *Neptune* influence on your *Sun* lets you move through situations with more acceptance and less resistance.

♆ Neptune ∟ Semi sextile ☿ natal Mercury · peak 29 Feb

Right now your thinking becomes **more flexible and open to new ideas**, and you find yourself noticing details you usually miss in conversations and written information. Your mind feels more creative when problem-solving, and you're less likely to dismiss unusual suggestions out of hand. Over the coming weeks, this softer mental state helps you communicate in a gentler way and pick up on what people really mean underneath their words.

♆ Neptune ∟ Semi sextile ♆ natal Neptune · peak 1 Feb

Your **intuition about people feels unusually reliable** right now, and you find yourself noticing things others miss in conversations and social situations. You're picking up on subtle emotional cues without trying, which makes you more naturally attuned to what others actually need rather than what they say they need. This quiet perceptiveness helps you connect with people in a genuine way and gives your relationships a softer, more understanding quality over these coming weeks.

♅ Uranus * Sextile ♅ natal Uranus · peak 1 Feb

You find yourself **more willing to try new approaches** to problems that have frustrated you before. These days, you can spot practical changes that might actually work without overthinking them. Over the coming weeks, this clarity makes it easier to break free from routines that no longer fit your life.

♇ Pluto △ Trine ☾ natal Moon · peak 1 Feb

These days you find it easier to **act on what you actually feel** instead of hiding or dismissing your emotions. People around you notice you seem more direct and honest about what matters to you, and they tend to respond well to this straightforwardness. Over the coming weeks, situations that once felt emotionally stuck start to move forward because you're not holding back anymore.

♅ Uranus * Sextile ♂ natal Mars · peak 1 Feb

You're finding it easier to take action on ideas that normally feel too risky or unconventional, and this **experimental confidence** is working in your favour right now. Your usual drive to get things done pairs well with a sudden willingness to try new approaches, so you can actually complete projects you've been sitting on. Over the coming weeks, people notice you're more direct and inventive about solving problems instead of relying on the same old methods.

LUNATIONS

○ Full Moon · Sunday, 4 Feb

in ♌ Leo

recognition, drama, creative culmination

in H8 — Transformation

A deep transformation is reaching its peak. Something involving **joint finances, emotional power dynamics, or a significant inner change** is being exposed to full light. Secrets, buried feelings, or unresolved matters around shared resources may surface now with unusual intensity. This full moon asks you to **face something that has been avoided** — in money, intimacy, or your relationship with loss and change. What is released here genuinely frees you.

● New Moon · Monday, 19 Feb

in ♋ Pisces

intuitive reset, release, spiritual renewal

in H3 – Communication & Learning

Your mind is ready for new inputs and your communication style is shifting. This is an excellent time to **start a course, launch a project involving writing or speaking**, or open honest conversations with people in your immediate environment. Short trips, new learning experiences, and reconnecting with siblings or neighbors may carry unusual significance now. What you plant in conversation and learning at this point will take root in meaningful ways.

KEY DATES

Thu, 1 Feb ☿ Uranus ☾ Opposition ☾ natal Moon

♆ Neptune ✳ Sextile ☉ natal Sun

Sat, 3 Feb ♃ Jupiter ☐ Square ♃ natal Jupiter

Sun, 4 Feb Full Moon in Leo

Tue, 6 Feb ♃ Jupiter ☐ Square ♄ natal Saturn

Fri, 9 Feb ♀ Venus enters ♈ Aries

Venus in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

Mon, 12 Feb ☿ Uranus ☾ Opposition ☾ natal Moon

♆ Neptune ✳ Sextile ☉ natal Sun

Thu, 15 Feb ☿ Mercury enters ♒ Aquarius

♂ Mars enters ♋ Pisces

Mercury in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Sun, 18 Feb ♄ Saturn ☐ Square ♆ natal Neptune

Mon, 19 Feb ☉ Sun enters ♋ Pisces

New Moon in Pisces

The Sun moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

Sun, 25 Feb ♄ Saturn ☐ Square ♆ natal Neptune

Wed, 28 Feb ♄ Saturn ☌ Conjunction ☉ natal Sun
