♁ North Node	in	♌ Leo	8°35'49"	VIII Rx
♁ Lilith	in	♏ Scorpio	8°30'15"	XI

### KEY TRANSIT FACTORS

#### ♅ Uranus △ Trine ☾ natal Moon · peak 28 Feb ★

You feel oddly comfortable with change right now, even when it comes suddenly. Your **emotional reflexes are fast** — you notice what you actually want instead of what you think you should want, and that clarity helps you make quick practical decisions. Over the coming weeks, people around you will probably notice that you seem more relaxed about shaking things up, whether that means rearranging your home, trying a different routine, or having honest conversations you've been putting off.

#### ☿ Mercury qx Quincunx ☾ natal Moon · peak 22 Feb ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

#### ☿ Mercury ∠ Semi sextile ♂ natal Mars · peak 21 Feb ★

Your thoughts are moving faster than usual right now, and you're picking up on details that normally slip past you. You find yourself more **decisive in conversation**, able to speak up about what you want without overthinking it. This is a good window to tackle practical problems or have direct talks you've been putting off, because your mind and your drive are working together smoothly.

#### ☿ Mercury ∠ Semi sextile ☉ natal Sun · peak 19 Feb ★

Right now your thinking becomes **clearer and more practical**, making it easier to solve small problems without getting tangled up in details. You notice yourself communicating more directly with people around you, which helps conversations flow better and cuts down on misunderstandings. Over the coming weeks, this mental clarity gives you a quiet confidence to handle tasks you've been putting off or thinking about too much.

#### ♁ NNode ∠ Semi sextile ♅ natal Uranus · peak 12 Feb

Over the coming weeks, you find it easier to **try new things without overthinking them**, and people around you seem to notice your willingness to experiment. Your practical side stays intact while your curiosity pushes you to take small risks in familiar areas like work routines or social habits. This is a good time to test out ideas you've been sitting on, because you have just enough caution mixed in with your adventurous streak to actually make something of them.

#### ♇ Pluto □ Square ♃ natal Jupiter · peak 15 Feb

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

### ♄ Chiron ☐ Square ♅ natal Uranus · peak 9 Feb

Right now you feel caught between wanting to break free and being afraid of what comes next. **You act impulsively without thinking through the consequences**, then immediately regret decisions you've made about your independence or your unconventional plans. Over the coming weeks, expect friction in areas where you've been trying to be different or rebel against expectations, because part of you still doubts whether the change is actually right for you.

### ♅ Uranus ♂ Conjunction ♂ natal Mars · peak 23 Feb

You feel a sudden urge to break your normal routine and try things you wouldn't usually risk. Your usual way of handling frustration stops working, and you become **impatient with anything that feels slow or restrictive**. These days you're more likely to act on impulse, so decisions that normally take you weeks might happen in a few hours.

### ♁ Lilith ♂ Conjunction ☉ natal Sun · peak 9 Feb

Over the coming weeks, you feel less interested in fitting in or softening your opinions to keep the peace. You're more likely to say what you actually think and **push back against rules or expectations that feel fake**. This directness can clear the air in relationships, but it may also create friction if people around you aren't used to seeing this side of you.

### ♄ Chiron ♃ Quincunx ♃ natal Moon · peak 25 Feb

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

### ♃ Jupiter ♀ Opposition ♃ natal Jupiter · peak 24 Feb

You're running into a wall with your own optimism right now, and it's forcing you to face where you've been overcommitting or overestimating what you can handle. Your usual confidence in your ability to expand into new projects or relationships feels **blocked by practical reality**, which makes you restless and frustrated. Over the coming weeks, you'll need to scale back your ambitions and deal with the consequences of promises you made when your expectations were higher.

### ♁ NNode ☐ Square ♂ natal Mars · peak 28 Feb

Right now you're running into **obstacles when you try to take direct action**, especially on goals that matter to you personally. People around you seem to resist or block what you're pushing for, which makes you frustrated and impatient. Over the coming weeks, you'll need to slow down and reconsider your approach instead of just charging ahead like you normally do.

### ♃ Jupiter ♀ Opposition ♄ natal Saturn · peak 27 Feb

Right now you're caught between wanting to expand and feeling held back by practical limits, which makes you restless and frustrated. You're likely **pushing harder against rules or responsibilities** that suddenly feel too tight, whether at work or in commitments you've made. Over the coming weeks this friction can push you to either break something unnecessarily or finally face where you've actually been avoiding difficult decisions.

### ♆ Neptune ♂ Conjunction ♀ natal Mercury · peak 1 Feb

Right now your thinking feels **less sharp and more scattered** than usual, and you may notice yourself forgetting details or mixing up what people actually said. Your mind is working slower on practical tasks, so deadlines feel harder to hit and decision-making takes longer. These days it helps to write everything down and double-check facts before you act on them.

### ♇ Pluto ☐ Square ♄ natal Saturn · peak 28 Feb

You feel **trapped by your own rules** right now, as if the structures you built to keep yourself safe are suddenly too tight. You become more rigid and defensive about how things should be done, pushing back hard against anyone or anything that challenges your system. Over the coming weeks, you will likely experience real friction at work or in relationships because you cannot bend, even when bending would help.

### ♄ Saturn Rx · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

## LUNATIONS

---

● New Moon · Thursday, 3 Feb

in ♒ Aquarius

innovation, social ideals, future direction

### in H2 — Resources & Values

Your financial picture and sense of personal worth are entering a new chapter. This lunation plants seeds around **income, resources, and what you truly value** — it's the moment to start building something that will grow steadily rather than chasing quick results. A practical new step in managing money, establishing a skill, or clarifying what security means to you personally will have lasting effects over the coming months.

○ Full Moon · Friday, 18 Feb

in ♍ Virgo

work results, health review, critical peak

**in H9 — Expansion & Beliefs**

A belief, journey, or educational matter is reaching its culmination. Something you've been learning, travelling toward, or coming to believe is now **reaching a point of clarity or completion**. A trip may end or reach its destination. A long-held belief may be challenged or confirmed. This full moon illuminates your relationship with truth, freedom, and meaning — what expands you and what has been keeping you intellectually or spiritually confined.

#### KEY DATES

**Tue, 1 Feb** ♃ Neptune ☌ Conjunction ♀ natal Mercury

**Thu, 3 Feb** New Moon in Aquarius

**Fri, 4 Feb** ☿ Mercury enters ♒ Aquarius

♀ Venus enters ♑ Capricorn

*Mercury in Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

**Sun, 6 Feb** ♇ Pluto ☐ Square ♃ natal Jupiter

**Wed, 9 Feb** ♄ Chiron enters ♓ Pisces

♄ Chiron ☐ Square ♅ natal Uranus

♀ Lilith ☌ Conjunction ☉ natal Sun

*Chiron in Pisces* brings **confusion about boundaries** into focus — you notice yourself taking on other people's problems or feeling drained after conversations, and healing starts when you recognize where your feelings end and theirs begin. At work and in relationships, the pattern is **getting tangled up in situations** that aren't yours to fix, which makes people more willing to set actual limits and ask for help instead of managing everything alone. This transit tends to highlight **old shame or disappointment** that surfaces when you're tired or around certain people, giving you a chance to address those wounds rather than just pushing through them.

**Sun, 13 Feb** ♅ Uranus ☌ Conjunction ♂ natal Mars

**Mon, 14 Feb** ♃ NNNode enters ♐ Sagittarius

♃ Neptune ☌ Conjunction ♀ natal Mercury

*North Node in Sagittarius* pushes people toward **learning new skills** and **taking bigger risks** in their work and travel plans, even when it feels uncomfortable or unfamiliar. In relationships and conversations, you'll notice a stronger pull to **speak honestly** and **ask the difficult questions** instead of staying quiet or playing it safe. Over the next 18 months, the pattern becomes clear: **exploring** — whether through reading, travel, new jobs, or direct feedback from others — brings more real progress than sticking with what already feels known.

**Tue, 15 Feb** ♇ Pluto ☐ Square ♃ natal Jupiter

**Fri, 18 Feb** Full Moon in Virgo

**Sat, 19 Feb** ☉ Sun enters ♓ Pisces

*The Sun* moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

**Sun, 20 Feb** ♃ NNNode ☐ Square ♂ natal Mars

**Mon, 21 Feb** ♄ Chiron ☐ Square ♅ natal Uranus

**Tue, 22 Feb** ♀ Mercury enters ♓ Pisces

*Mercury in Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

**Wed, 23 Feb** ♂ Mars enters ♓ Pisces

♅ Uranus ☌ Conjunction ♂ natal Mars

*Mars in Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints

instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

**Thu, 24 Feb** ♃ Jupiter ☊ Opposition ♃ natal Jupiter

**Sun, 27 Feb** ♃ Jupiter ☊ Opposition ♄ natal Saturn

**Mon, 28 Feb** ♃ NNode ☐ Square ☊ natal Mars

♅ Pluto ☐ Square ♄ natal Saturn
