KEY TRANSIT FACTORS

☿ Mercury ∟ Semi sextile ☉ natal Sun · peak 31 Jan ★

Right now your thinking becomes **clearer and more practical**, making it easier to solve small problems without getting tangled up in details. You notice yourself communicating more directly with people around you, which helps conversations flow better and cuts down on misunderstandings. Over the coming weeks, this mental clarity gives you a quiet confidence to handle tasks you've been putting off or thinking about too much.

☉ Sun ∟ Semi sextile ☿ natal Mercury · peak 18 Jan ★

These days you find it easier to **explain your thoughts clearly** without overthinking what you say. People seem to understand your point the first time, and conversations flow naturally because you're not second-guessing yourself. This relaxed confidence with words can help you tackle small communication tasks at work or smooth over minor misunderstandings in your personal life while it lasts.

♂ Mars △ Trine ☾ natal Moon · peak 5 Jan ★

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

☿ Mercury qx Quincunx ☾ natal Moon · peak 1 Jan ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

♊ NNode □ Square ♄ natal Saturn · peak 18 Jan

Right now you feel caught between wanting to try something new and a nagging fear that you will fail or waste time. You become **unusually self-critical about your abilities** and may avoid taking any real action because the stakes feel too high. Over the coming weeks this friction between caution and growth can actually force you to make a real choice instead of drifting, though the discomfort while you decide is genuine.

♃ Jupiter □ Square ♃ natal Jupiter · peak 1 Jan

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♄ Saturn ☐ Square ♅ natal Pluto · peak 20 Jan

You're likely to feel **boxed in by rules or limits that feel suffocating**, especially where you normally have control. *Saturn* is forcing you to face situations where your usual tactics don't work anymore, and that frustration can build into real anger. These days you'll benefit from finding practical outlets for that pressure instead of letting it mount, because bottling it up will only make you feel more trapped.

♁ NNode ☐ Square ♃ natal Jupiter · peak 28 Jan

Right now you are **overcommitting to things that seem important but don't actually fit your life**. You feel pulled toward opportunities, promises, and plans that look good on paper but create practical conflicts when you try to follow through. Over the coming weeks, you will hit real consequences from saying yes too much, and you'll have to make uncomfortable choices about what actually matters.

♃ Lilith ♂ Conjunction ♂ natal Mars · peak 19 Jan

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♃ Jupiter ☐ Quincunx ♁ natal NNode · peak 9 Jan

Over the coming weeks, you feel pulled toward new opportunities that don't quite fit your usual pattern, and this creates a practical tension you have to work through. You might say yes to something professionally or socially that requires you to **adapt your approach or learn something new**, even though it feels awkward at first. The mismatch between what you want to try and what comes naturally to you forces you to make a real choice about whether growth is worth the temporary discomfort.

♄ Saturn ∟ Semi sextile ♃ natal Neptune · peak 30 Jan

Right now you find it easier to **turn vague ideas into concrete plans** without losing the creative spark. Your imagination doesn't disappear—instead it becomes practical, helping you sketch out what actually needs to happen next. Over the coming weeks, this steadiness makes you more likely to follow through on things you usually abandon halfway.

♃ Jupiter ☐ Square ♄ natal Saturn · peak 3 Jan

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

♄ Saturn * Sextile ☉ natal Sun · peak 31 Jan

Right now you find it easier to stick with what you commit to, and people notice your reliability. You're not rushing to prove yourself or grab attention—you're simply doing the work, and that **steady focus** gains real respect. Over the coming weeks, this is a good time to tackle something practical that requires patience and follow-through.

♅ Pluto ☐ Square ♅ natal Pluto · peak 31 Jan

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

♁ NNode ∟ Semi sextile ♁ natal NNode · peak 1 Jan

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNATIONS

○ Full Moon · Friday, 10 Jan Eclipse

in ♋ Cancer

emotional culmination, family matters, inner needs surface

in H8 — Transformation

A deep transformation is reaching its peak. Something involving **joint finances, emotional power dynamics, or a significant inner change** is being exposed to full light. Secrets, buried feelings, or unresolved matters around shared resources may surface now with unusual intensity. This full moon asks you to **face something that has been avoided** — in money, intimacy, or your relationship with loss and change. What is released here genuinely frees you.

● New Moon · Saturday, 25 Jan

in ♒ Aquarius

innovation, social ideals, future direction

in H2 — Resources & Values

Your financial picture and sense of personal worth are entering a new chapter. This lunation plants seeds around **income, resources, and what you truly value** — it's the moment to start building something that will grow steadily rather than chasing quick results. A practical new step in managing money, establishing a skill, or clarifying what security means to you personally will have lasting effects over the coming months.

KEY DATES

Wed, 1 Jan ♃ Jupiter □ Square ♃ natal Jupiter

♄ Chiron △ Trine ☾ natal Moon

Fri, 3 Jan ♂ Mars enters ♐ Sagittarius

♃ Jupiter □ Square ♄ natal Saturn

Mars entering *Sagittarius* brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.

Fri, 10 Jan Full Moon in Cancer

Sat, 11 Jan ♅ Uranus stations Direct

Uranus turning direct after months backward means **stuck situations finally shift** — delays in tech, contracts, or unusual projects resume their forward motion. What felt **blocked or confusing** about your routines, friendships, or work systems becomes **clearer to act on** now that the planet moves the way it normally does. Most people notice they can **make real changes** instead of just thinking about them, whether that's switching jobs, updating systems, or ending relationships that went nowhere during the retrograde.

Sun, 12 Jan ♁ Lilith ♂ Conjunction ♂ natal Mars

Mon, 13 Jan ♄ Chiron △ Trine ☾ natal Moon

Tue, 14 Jan ♀ Venus enters ♋ Pisces

Venus in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

Fri, 17 Jan ☿ Mercury enters ♒ Aquarius

Mercury in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Sat, 18 Jan ♁ NNode □ Square ♄ natal Saturn

Sun, 19 Jan ♁ Lilith ♂ Conjunction ♂ natal Mars

♁ NNode □ Square ♃ natal Jupiter

♇ Pluto □ Square ♇ natal Pluto

Mon, 20 Jan ♄ Saturn □ Square ♇ natal Pluto

Tue, 21 Jan ☼ Sun enters ♒ Aquarius

Sun in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

Sat, 25 Jan New Moon in Aquarius

Mon, 27 Jan ♁ Lilith enters ♈ Aries

♄ Saturn □ Square ♇ natal Pluto

Lilith in *Aries* pushes people to **speak up and set boundaries** without waiting for permission or worrying about others' approval. At work and in relationships, you'll notice a **sharper willingness to disagree**, defend your own needs, and

walk away from situations that feel controlling or unfair. This transit typically brings **impatience with people-pleasing** — expect less tolerance for being told what to do, and more direct conflict when someone tries to override your choices.

Tue, 28 Jan ♁ NNode □ Square ♃ natal Jupiter

Fri, 31 Jan ♄ Saturn * Sextile ☉ natal Sun

♅ Pluto □ Square ♅ natal Pluto
