## KEY TRANSIT FACTORS

### ♇ Pluto ☐ Square ☾ natal Moon ★

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ☉ Sun \* Sextile ♆ natal Neptune

Right now you find it easier to **notice details you usually miss** in conversations and situations around you. Your imagination is working better than usual, so creative projects or problem-solving feels more natural without forcing it. People also seem more receptive to what you say, as if your words land more gently with them during these weeks.

### ♇ Pluto ☿ Opposition ♊ natal NNode

Over the coming weeks, you may feel pulled to abandon the relationships and routines that normally sustain you, creating real friction in your personal life. People close to you might notice you're withdrawing or acting **unusually dismissive of their needs**, which can damage trust right when you need support most. This period asks you to examine whether you're running from genuine connection or genuinely outgrowing it—but the clarity won't come easily while this lasts.

### ☉ Sun ☿ Conjunction ♇ natal Pluto

Right now you're unusually focused on what you want to change about yourself or your situation, and you're willing to do whatever it takes to make it happen. You feel **intensely driven to strip away anything that feels fake or unnecessary**, whether that's in your relationships, your work, or how you present yourself. Over the coming weeks you may surprise people with how direct you become, or how quickly you abandon something you've outgrown.

### ♂ Mars △ Trine ♊ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

### ☉ Sun ☿ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

### ☉ Sun ∟ Semi sextile ♅ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

## ☉ Sun △ Trine ♁ NNode

Right now you find it easier to **do what actually suits you** instead of what you think you should do. People around you notice you seem more confident in small choices, like speaking up in meetings or trying something new without overthinking it. This period supports you in building habits and friendships that feel genuinely right for your life.

### LUNAR DAY

Moon in ♋ Pisces · Day 11 / 30 · First Quarter

**The boundary between personal and environmental moods blurs** during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

### CLOTHING & JEWELRY
