## KEY TRANSIT FACTORS

### ☾ Moon △ Trine ♄ natal Saturn ★

Right now you find it easier to stick to what matters and let go of what doesn't, because your emotions are working with your sense of responsibility rather than against it. You show **natural follow-through** on commitments and don't feel as pulled by distractions or self-doubt. Over the coming weeks, people notice you're reliable and calm, and you can handle practical tasks without the usual inner friction.

### ♇ Pluto □ Square ☾ natal Moon ★

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ♆ Neptune ✕ Quincunx ☾ natal Moon ★

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

### ♃ Jupiter ☉ Opposition ♁ natal Chiron

Over the coming weeks, you are likely to **overestimate your ability to fix old wounds or help others with their pain**, which can leave you feeling deflated when reality doesn't match your optimism. *Jupiter* is pushing you to expand and take charge in areas where *Chiron* reminds you of your actual limits and vulnerabilities. The mismatch between what you think you should be able to do and what you can actually manage may create frustration or self-doubt during this period.

### ♁ Chiron ★ Sextile ☾ natal Moon

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

### ☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

### › Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

### › Moon ☾ Opposition ♀ Venus

At the moment, you feel disconnected from what usually makes you happy, and this can push you toward picking fights or withdrawing from people you care about. Your emotional needs and what others want from you are pulling in opposite directions, so small frustrations in relationships tend to blow up. This friction is real—use it to notice where you are actually unhappy rather than blaming the other person.
