## KEY DATE

### ♃ Jupiter stations Direct

*Jupiter* turning **direct again** means opportunities and decisions that felt stuck or unclear over the past months can finally move ahead with real momentum. What becomes **clearer now** is whether plans, applications, or deals are actually going to work — delays lift and you get actual answers instead of waiting. **Growth starts moving** in the areas where *Jupiter* sits in your chart, so watch for openings in money, work, relationships, or learning that were on pause during the retrograde.

## KEY TRANSIT FACTORS

### ♆ Neptune ∠ Semi sextile ♄ natal Saturn ★

Right now you find it easier to **soften rigid rules you've been following without questioning**, and this actually helps you get more done rather than less. Your practical judgment stays sharp while you become less harsh with yourself about small mistakes or delays. These next few weeks give you a real chance to loosen your grip on control and discover that things still work out fine.

### ♆ Neptune \* Sextile ♇ natal Pluto ★

Right now you find it easier to let go of situations that no longer serve you without drama or resistance. You notice you're **releasing old patterns quietly**, almost without effort, because you can see clearly why they needed to change. This period supports practical transformation where you move forward steadily instead of getting stuck in what used to be.

### ☉ Sun □ Square ♃ natal Jupiter ★

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

### ☉ Sun ∠ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☿ Mercury ☹ Opposition ☉ natal Sun

Over the coming weeks, you'll find your usual way of explaining yourself runs into brick walls with the people who matter most. **You say things that land poorly or come across as defensive even when you don't mean to.** This mismatch between what you're thinking and how others hear you creates real friction in conversations, especially at work or at home.

### ♃ Mercury ☌ Conjunction ☌ natal Uranus

Your mind is working faster than usual right now, and you're noticing patterns and connections that normally escape you. You might **jump between topics in conversation** or feel restless with routine explanations, wanting to dig into unusual angles instead. These days your thinking is sharp but scattered, so expect your focus to drift unless you deliberately channel this mental energy into something that genuinely interests you.

### ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

### ☉ Sun ☌ Conjunction ♃ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

## LUNAR DAY

Moon in ♎ Libra · Day 25 / 30 · Last Quarter

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

## CLOTHING & JEWELRY
