KEY TRANSIT FACTORS

♇ Pluto ☿ Quincunx ♁ natal Chiron

You're noticing that old defensive patterns are not working the way they used to, and this discomfort is forcing you to pay attention to how you protect yourself emotionally. **You feel pressure to change something**, but the exact solution isn't clear yet, so you're stuck between what you know and what might work better. Over the coming weeks, this awkward feeling is actually pointing you toward a more honest way of handling your own pain and the pain you see in others.

♃ Jupiter ☿ Conjunction ☿ natal Mercury

You're thinking more expansively right now and your mind feels faster than usual. You're likely talking more, asking bigger questions, and finding it easier to explain your ideas to others. This is a good window to pitch a proposal, write something you've been putting off, or have conversations you've been avoiding because your confidence in what you're saying is genuinely higher.

♁ NNode * Sextile ♄ natal Uranus

Over the coming weeks, you find it easier to **act on unusual ideas without second-guessing yourself**. You spot opportunities to do things differently in practical ways — a new work method, a social connection, or a creative experiment — and you move forward with genuine confidence instead of doubt. This is a good time to test something you've been curious about because your instinct for what actually works feels sharp and reliable right now.

♆ Neptune ☿ Opposition ☿ natal Mercury

These days your thinking feels foggy and it takes real effort to concentrate on practical tasks like work or problem-solving. You may find yourself **second-guessing what you heard** in conversations or mixing up important details because *Neptune* is blurring your usual *Mercury* clarity. Over the coming weeks, this confusion can affect your decisions, so writing things down and checking facts twice will protect you from avoidable mistakes.

☾ Moon ∟ Semi sextile ☾ natal Moon

Your **emotional reactions feel more measured** right now, and you notice yourself handling small frustrations without letting them pile up. People around you respond better because you're not carrying yesterday's mood into today's conversation. Over the coming weeks, this steadier emotional baseline makes it easier to notice what you actually need instead of just reacting to what's in front of you.

♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☽ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

☽ Moon △ Trine ♅ Uranus

These days you feel more willing to try things differently and less stuck by what you usually do. Your emotional reactions are quicker and more **open to change**, so you notice new possibilities instead of going along with the same routines. This makes it easier to break habits or suggest a different approach without it feeling scary or forced.

LUNAR DAY

Moon in ♍ Virgo · Day 23 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

CLOTHING & JEWELRY
