KEY TRANSIT FACTORS

♂ Mars ☍ Opposition ♀ natal Venus ★

Right now you're more **irritable in close relationships** and harder to please about how people treat you. You might pick fights over small things or feel like no one is giving you what you need, which pushes others away just when you want connection. These days the gap between what you want and what's actually happening feels wider, so patience with your partner or people you care about is wearing thin.

♃ Jupiter ☌ Semi sextile ☾ natal Moon

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

♀ Venus ☍ Opposition ☾ natal Moon

Right now you're caught between what you want emotionally and what you actually want to do socially, and it's making you feel pulled in opposite directions. You might find yourself either withdrawing from people or overcommitting to them in ways that leave you drained and resentful. These days the practical work is recognizing that your needs and other people's needs won't sync up perfectly, and that's not a sign something is wrong with you.

♊ NNode ☌ Trine ♁ natal Chiron

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

♁ Chiron ☌ Conjunction ☿ natal Mercury

Right now you're noticing gaps in how you explain yourself to others, and conversations feel more awkward than usual. You're becoming **unusually aware of old patterns in the way you think and talk** — like repeated phrases or habits that never quite land. Over the coming weeks, this awareness can help you communicate more clearly if you slow down and listen to yourself first.

☉ Sun * Sextile ♆ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

☉ Sun ☌ Trine ♇ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

☉ Sun △ Trine ♄ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.
