KEY TRANSIT FACTORS

♄ Saturn △ Trine ♁ natal Chiron

Right now you are **more willing to sit with your own pain without needing to fix it immediately**, which lets you actually learn from past hurts instead of just moving past them. This practical acceptance means you can talk about difficult experiences with less defensiveness and help others do the same. Over the coming weeks, what once felt raw or tender becomes something you can work with directly.

♁ Chiron ☿ Quincunx ♂ natal Mars

Right now you're noticing that your usual way of pushing forward doesn't feel quite right, and small physical frustrations keep showing up where you'd normally feel confident. Your body might feel slightly off-beat with what your mind wants to do, making you **more aware of how you move and act** than usual. Over the coming weeks, this mismatch between intention and execution can actually help you spot habits that have been holding you back if you pay attention to what feels clunky.

♊ NNode □ Square ♃ natal Jupiter

Right now you are **overcommitting to things that seem important but don't actually fit your life**. You feel pulled toward opportunities, promises, and plans that look good on paper but create practical conflicts when you try to follow through. Over the coming weeks, you will hit real consequences from saying yes too much, and you'll have to make uncomfortable choices about what actually matters.

♇ Pluto △ Trine ♀ natal Venus

You find it easier to say what you actually want in your relationships right now, and people respond well to your honesty. Your **natural magnetism increases** — you draw others toward you without trying hard or performing. Over the coming weeks, connections deepen because you're showing up as yourself, and that authenticity makes a real difference in how people treat you.

♊ NNode ☌ Conjunction ♂ natal Uranus

These days you feel a stronger pull toward **breaking your usual routines and trying something unconventional**. You might suddenly want to change how you work, spend time with different people, or reject habits that no longer feel right. This period pushes you to act on independence impulses that have been sitting quietly in the background.

♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

♿ Mercury * Sextile ♀ Venus

These days you find it easier to say what you actually mean without hurting people's feelings. **Your words come across as thoughtful and warm** instead of blunt, which makes conversations go smoother and helps you connect with others. This is a good time to have the talks you have been putting off, since *Mercury* and *Venus* are working together to make you both honest and considerate.

♿ Mercury * Sextile ♃ Jupiter

These days your thinking feels clearer and you naturally find words that actually land with people instead of causing friction. You're picking up on details you'd normally miss, and your mind keeps making useful connections between different ideas. This is a good time to have important conversations, write something down, or pitch an idea because people are listening with an open mind right now.

LUNAR DAY

Moon in ♏ Scorpio · Day 28 / 30 · Waning Crescent

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
