KEY TRANSIT FACTORS

☾ Moon ☐ Square ♇ natal Pluto ★

You feel emotionally raw right now, and small frustrations hit harder than they normally do. Your impulse to control situations around you gets stronger, even though pushing usually makes things worse. These days you are likely to pick fights or withdraw completely, so watch for both patterns and try to sit with discomfort instead of acting on it.

☾ Moon ☐ Square ♁ natal NNode ★

Right now you feel caught between what you want emotionally and what you know you should be doing with your time. You become **restless and impatient** with routines or commitments that once felt important, which makes it hard to focus on practical tasks. Over the coming weeks, expect friction between your immediate feelings and your longer-term direction until this lunar moment passes.

♆ Neptune ♂ Conjunction ♂ natal Mars

Right now your usual drive and confidence are harder to access—you feel less certain about what you want and how to get it. You may find yourself avoiding decisions or commitments because the practical steps feel unclear, or you might pursue something half-heartedly without your normal push. This fuzziness will fade as *Neptune* moves on, but for now it helps to stick to routines and check your plans with someone you trust before acting.

☾ Moon ♂ Opposition ☾ natal Moon

Right now you are likely to feel **emotionally restless and at odds with yourself**, as if your usual ways of managing stress are not working. You may snap at people you care about or withdraw when you normally would reach out, leaving you confused about what you actually want. Over the coming weeks, this mismatch between your instinctive needs and your current emotional state will push you to notice patterns you have been avoiding.

☿ Mercury ♂ Conjunction ♃ natal Jupiter

You're thinking in bigger pictures right now, and your conversation becomes more persuasive and generous with ideas. People want to listen to you because you're offering something useful, not just speaking for the sake of it. This **optimistic and expansive way of communicating** can open doors in your work or social life over the coming weeks.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

☉ Sun ☒ Quincunx ♃ Jupiter

These days you feel pulled between wanting to take action and doubts about whether you're doing enough, which can leave you **restless and second-guessing your choices**. Your confidence in what you're doing right now doesn't quite match what you think you should be doing, so you might start something and then hesitate or change direction. This mismatch between your actual situation and your sense of what's possible tends to create practical friction rather than clear obstacles.

› Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

› Moon * Sextile ♃ Pluto

At the moment, you find it easier to talk about things that usually stay hidden or feel too personal to share. You can express difficult emotions without falling apart, which means conversations go deeper and feel more honest than usual. This psychological openness makes it simpler to sort through what you actually feel instead of pushing feelings away.

LUNAR DAY

Moon in ♒ Aquarius · Day 24 / 30 · Last Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY

Monday · › Moon · Venus in Cancer

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
