## KEY TRANSIT FACTORS

### ☾ Moon △ Trine ♀ natal Venus

Right now you're feeling more **naturally affectionate and open with people around you**, which makes conversations easier and warmer than usual. Your emotional needs and what you actually want from relationships are lining up for once, so you're less likely to hide what matters to you or settle for less. Over the coming weeks, this alignment makes it simpler to ask for what you need and to show care without overthinking it.

### ☿ Mercury ∟ Semi sextile ♁ natal Chiron

These days you find it easier to talk about things that usually feel difficult or tender. Your words seem to land better when you explain your past hurts or current worries to people who matter. This period supports **clearer communication about pain**, making it simpler to get help or understanding from others without feeling like you're burdening them.

### ♁ NNode \* Sextile ♀ natal Venus

You find it easier right now to connect with people in genuine ways and speak up about what matters to you socially. Your **natural warmth and openness come across more clearly**, and others respond positively to this shift in how you show up. Over the coming weeks, this period supports making new friendships or deepening existing relationships without the usual awkwardness or second-guessing.

### ♀ Venus ∟ Semi sextile ♀ natal Venus

Over the coming weeks, you find it easier to **enjoy what you already have** without feeling the need to chase something better. Small moments of comfort feel genuinely satisfying, whether that's a conversation with someone you care about or time spent on something you like. This gentle support from *Venus* helps you appreciate the relationships and pleasures in your life right now, without pushing for dramatic changes.

### ♃ Jupiter ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

### ☉ Sun △ Trine ♂ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

› Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

› Moon ☿ Opposition ♂ Mars

Right now your **irritability is running high** and small annoyances feel like major problems. People around you seem to trigger you faster than usual, and you may snap at them or pick fights without meaning to. These days the gap between what you feel and what you're actually able to do creates real frustration, so patience is thin on the ground for everyone.

LUNAR DAY

Moon in ♋ Pisces · Day 24 / 30 · Last Quarter

**The boundary between personal and environmental moods blurs** during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
