♁ North Node	in ♈ Aries	27°16'48"	II Rx
♁ Lilith	in ♊ Gemini	11°32'35"	IV

KEY TRANSIT FACTORS

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☿ Mercury △ Trine ♁ natal Uranus

Your mind is working faster than usual right now, and you're making unexpected connections between ideas that seemed unrelated before. You find yourself **thinking in new directions** and willing to try approaches that normally wouldn't occur to you. Over the coming weeks, this mental clarity can help you solve practical problems or come up with fresh solutions at work or in your personal projects.

♆ Neptune ☾ Opposition ☾ natal Moon

Your **emotional reactions feel unreliable right now**, and you cannot trust your own mood to stay the same from one hour to the next. You might withdraw from people you normally rely on, or say things you do not mean because you are confused about what you actually feel underneath. Over the coming weeks, this fog makes it hard to make decisions about your personal life, and you may end up making promises you cannot keep.

♇ Pluto ♂ Conjunction ♄ natal Saturn

You are experiencing a **crushing pressure to get serious about something you've been avoiding**. Right now, authority figures or consequences feel more real and harder to ignore than usual. Over the coming weeks, you'll likely find yourself building new structures or dismantling old ones that no longer work, whether that's in your work, relationships, or how you organize your life.

☿ Mercury ★ Sextile ☉ natal Sun

Your thinking is **clearer and more direct** these days, making it easier to explain what you actually mean to people around you. Conversations flow naturally and you find yourself asking better questions, which helps you understand what others really need from you. This is a good stretch to pitch ideas, write something important, or sort through a practical problem you have been sitting with.

☾ Moon ∟ Semi sextile ♃ natal Jupiter

These days you find it easier to **see the good in situations** and bounce back quickly from small disappointments. Your mood lifts naturally when you focus on what you've learned from recent experiences, and people around you notice you're more optimistic than usual. This is a good window to say yes to invitations or try something new, since your confidence in things working out is genuinely higher right now.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♈ Aries · Day 23 / 30 · Waning Gibbous

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Cancer

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
