KEY TRANSIT FACTORS

☉ Sun ☐ Square ♃ Jupiter ★

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

♀ Venus * Sextile ♄ natal Saturn

Right now you find it easier to **follow through on commitments** without feeling overwhelmed or resentful about them. Your practical side and your emotional needs are working together instead of pulling in opposite directions, so you can say yes to plans or responsibilities and actually feel good about them. This is a good time to have honest conversations about what you want from your relationships, because you can express your needs without being defensive or distant.

♇ Pluto ☐ Quincunx ☿ natal Mercury

While this lasts, you may notice that your usual way of explaining yourself stops landing the way it normally does. Your thoughts feel scrambled when you try to communicate what you actually mean, and others seem to misunderstand your point more often than usual. This **mental friction** between what you think and what comes out is temporary, so slowing down before you speak or write can help bridge the gap.

♃ Jupiter ∟ Semi sextile ☿ natal Mercury

Your thinking becomes more practical and purposeful these days, and you find it easier to explain your ideas to other people without getting tangled up in details. You're **more optimistic about what you can accomplish** when you speak up or write something down, and that confidence often translates into real results. Over the coming weeks, small conversations or written messages tend to open doors that might have stayed closed before.

♄ Saturn * Sextile ☾ natal Moon

Over the coming weeks, you find it easier to **stay calm when things go wrong**, because you're not caught up in emotional reactions like usual. Your practical side takes charge, letting you handle family problems or personal setbacks without falling apart. This is when you can actually do the mature, responsible things you know you should do, and they stick.

☿ Mercury * Sextile ♀ natal Venus

You find it easier to say what you actually mean to people you care about, and they respond well to your honesty. **Your words come across as warm and thoughtful** instead of rushed or clumsy, which helps conversations feel closer. Over the coming weeks, this is a good time to have the talks you've been putting off or to express appreciation to someone who matters to you.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☉ Sun ☐ Square ☿ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

LUNAR DAY

Moon in ♏ Scorpio · Day 7 / 30 · Waxing Crescent

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.

CLOTHING & JEWELRY
