KEY TRANSIT FACTORS

♅ Uranus ☾ Semi sextile ♂ natal Mars ★

You're noticing small windows of **creative restlessness** that actually help you break old habits without major disruption. *Uranus* is gently nudging your *Mars* energy sideways, so instead of forcing big changes, you find yourself naturally trying different approaches to familiar problems. Over the coming weeks, you'll discover that your usual way of doing things has room for improvement, and you're willing to experiment in ways that feel refreshing rather than risky.

☾ Moon △ Trine ♄ natal Saturn ★

Right now you find it easier to stick to what matters and let go of what doesn't, because your emotions are working with your sense of responsibility rather than against it. You show **natural follow-through** on commitments and don't feel as pulled by distractions or self-doubt. Over the coming weeks, people notice you're reliable and calm, and you can handle practical tasks without the usual inner friction.

♀ Venus △ Trine ☿ natal Mercury

Right now you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond well to your words because you're speaking with warmth and directness at the same time, which makes conversations flow naturally. Over the coming weeks, this is a good window to have the conversations you've been putting off or to pitch ideas you've been sitting with.

☿ Mercury □ Square ☿ natal Mercury

Right now your thinking feels scattered and your words come out wrong more often than usual. You second-guess yourself mid-conversation, switch topics without finishing your point, and struggle to explain what you actually mean to people around you. This friction between what you think and what you say creates **misunderstandings at work and home** that frustrate both you and the people listening to you.

♂ Mars □ Square ♁ natal Chiron

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

☉ Sun ☐ Square ♄ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.
