KEY TRANSIT FACTORS

☾ Moon △ Trine ♄ natal Saturn ★

Right now you find it easier to stick to what matters and let go of what doesn't, because your emotions are working with your sense of responsibility rather than against it. You show **natural follow-through** on commitments and don't feel as pulled by distractions or self-doubt. Over the coming weeks, people notice you're reliable and calm, and you can handle practical tasks without the usual inner friction.

☾ Moon □ Square ♇ natal Pluto ★

You feel emotionally raw right now, and small frustrations hit harder than they normally do. Your impulse to control situations around you gets stronger, even though pushing usually makes things worse. These days you are likely to pick fights or withdraw completely, so watch for both patterns and try to sit with discomfort instead of acting on it.

☾ Moon q̄x Quincunx ♆ natal Neptune ★

Over the coming weeks, you may find it harder than usual to trust your own feelings or to know what you actually want in a situation. Your mood and your practical needs seem to be pulling in different directions, leaving you **uncertain about which one to follow**. This confusion usually passes once the transit moves on, but while it lasts you might make decisions you later question or feel emotionally scattered without a clear reason why.

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☿ Mercury ∟ Semi sextile ♁ natal Chiron

These days you find it easier to talk about things that usually feel difficult or tender. Your words seem to land better when you explain your past hurts or current worries to people who matter. This period supports **clearer communication about pain**, making it simpler to get help or understanding from others without feeling like you're burdening them.

♀ Venus △ Trine ♅ natal Uranus

These days you feel more comfortable being yourself around others and less worried about what people expect from you. You're **more willing to try new things socially** — whether that's suggesting an unusual date idea, joining a group with different interests, or speaking up with an unpopular opinion. This period brings a natural ease to your relationships because you're relaxed enough to let your actual personality show, and that authenticity tends to draw people toward you.

☿ Mercury Rx · ♉ Taurus

Mental processes slow noticeably and a stubbornness in thinking makes it harder than usual to change your mind. These days you may return to financial decisions, possessions, or value-related questions that seemed settled. Take your time — the careful review you do now will save costly corrections later.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ☐ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♌ Leo · Day 7 / 30 · Waxing Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
