KEY TRANSIT FACTORS

☉ Sun ☿ Opposition ♂ natal Uranus ★

Right now you're finding it hard to stick to plans or routines because you keep feeling the urge to break free or rebel against your own commitments. Your **restlessness makes you impatient** with structures you normally accept, and you may act on impulse in ways that disrupt your work or relationships. Over the coming weeks, you'll need to notice this impulse before you act on it, because most of what feels urgent to change is actually just temporary frustration with your own consistency.

☉ Sun ☿ Conjunction ♁ natal Chiron ★

Over the coming weeks, you become more aware of where you feel inadequate or have given up on yourself. This isn't painful so much as honest—you see your own blind spots about your abilities and worth. This is the moment to decide if you want to **stop protecting yourself from trying** or keep playing it safe.

☉ Sun ☐ Square ♃ natal Jupiter ★

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

♂ Mars ♁ Quincunx ♂ natal Uranus

Right now your instinct is to **break free from routines**, but your actions keep hitting unexpected obstacles that force you to adjust course. You feel restless and impatient with how things normally work, yet when you try to move forward you find yourself having to backtrack or modify your approach. This mismatch between what you want to do and what actually works can feel frustrating, but it's teaching you which rules actually matter and which ones you can safely ignore.

♂ Mars ∟ Semi sextile ☉ natal Sun

You're noticing it's easier to **take small actions** toward what matters to you right now. Your motivation shows up in practical ways—you actually do the thing instead of thinking about it for weeks. This period supports you in building momentum through consistency rather than big dramatic pushes.

♀ Venus Rx · ♊ Gemini

Social connections from the past resurface and existing relationships require more honest communication than usual. Flirtation and surface-level charm lose their usual effect during this period. What you actually want from relationships — rather than what seems appealing — becomes clearer if you pay attention.

☉ Sun ☿ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☾ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun △ Trine ♃ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

LUNAR DAY

Moon in ♋ Pisces · Day 21 / 30 · Waning Gibbous

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY
