## KEY TRANSIT FACTORS

### ♆ Neptune ∟ Semi sextile ♃ natal Jupiter

These days you feel more **open to possibility** than usual, and small opportunities seem to appear without you forcing them. You might notice that people respond better when you speak from genuine feeling rather than trying to convince them with logic. Over the coming weeks, this softer approach often leads to unexpected support or connections that feel genuinely helpful.

### ♇ Pluto △ Trine ♁ natal NNode

You're finding it easier to let go of patterns that no longer fit your life, without the usual resistance or drama. **You can make practical changes to your direction** — whether that's in work, relationships, or how you spend your time — and they feel natural rather than forced. These shifts align with what you actually want to become, so you move forward with real conviction instead of second-guessing yourself.

### ☉ Sun ∟ Semi sextile ☉ natal Sun

You're finding it easier to **speak up about what matters to you** without the usual doubt holding you back. People around you respond well to this quieter confidence, and small wins follow naturally. This supportive influence from *Sun* semi-sextile your natal *Sun* lasts a few weeks and gives you a gentle boost in recognizing your own value.

### ♄ Saturn qx Quincunx ♂ natal Mars

These days you feel a disconnect between what you want to do and what you think you should do, and this creates practical friction in your daily routines. You might start a task with energy but then second-guess yourself or hit unexpected obstacles that force you to slow down and reconsider. This awkward mismatch between your impulses and real-world constraints is temporary, but right now it's teaching you where your approach needs **more realistic planning** instead of just pushing forward.

### ☉ Sun qx Quincunx ♂ natal Uranus

While this lasts, you feel **restless with your own routine** and notice small details about how you spend your time that suddenly bother you. Your usual way of doing things works fine on the surface, but something inside keeps pushing you to adjust or try small changes. This psychological discomfort is not a sign something is wrong—it is just your mind signaling that you need to fine-tune how you operate right now.

### ♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

### ☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

### ☉ Sun ∟ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun △ Trine ☽ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

LUNAR DAY

Moon in ♊ Gemini · Day 28 / 30 · Waning Crescent

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
